Dear Sir or Madam,

A courtesy copy of the text of our fax to His Excellency Ambassador Oh Joon, Permanent Mission of the Republic of Korea to the United Nations, follows for Her Majesty The Queen and the First Lord of the Treasury Rt. Hon. David Cameron, MP.

We suggest that Dr. David Kim be located with the assistance of Saudi Royals if needed, to assist the South Koreans to arrange the meeting.

We suggest that the Prime Minister and those who assist him view the 'youtube' video linked below.

'Faith' is more powerful than weapons of war, we believe that the tension within the Vatican and between 'Israel' and other countries can be relieved by the 'Truth'. The 'evidence' is compelling and Dr. Kim is a man of modesty and does not exaggerate.

We pray that the LORD guide all those who volunteer to bring about faith that leads to Holy Peace.

Yours faithfully,
Joseph Ray Sundarsson

Dear Ambassador Oh Joon,

His Holiness Pope Francis travels to the land known as Korea this week. His visit comes amidst a dramatic unwinding of the 'Federal Reserve' and the 'United States' corporations, both chartered by the Bishop of Rome.

The events of the past year reflect the intensity of the transformation. Korea has a realistic chance of peace for all its men, women and children, North and South alike. The 'United Nations' and the corporate 'Republic of Korea' shall also pass away. The tension and drama at the Vatican, the City State around all this is visible via our recent letters that are available at: www.courtofrecord.org.uk

We send this fax to allow Korea to help the 'West' renew faith in God. It is not widely known, but

there is a man in Seoul known as Dr. David Kim who has worked for Saudi Royalty, who has investigated the Torah and the ancient history of the Holy Bible:

'Forbidden Pictures Revealed - Did Ron Wyatt tell the truth?'

<https://www.youtube.com/watch?v=9ubKUip6pz0>

features an interview with Dr. David Kim regarding Moses and the history of the Exodus.

We suggest that Dr. David Kim be located and a 'surprise' meeting arranged between His Holiness Pope Francis and Dr. Kim.

We suggest that such an event, if it could be arranged, is more ****urgent**** and positive for Korea and all of mankind than all the other 'official' business and the swirl of controversy that always accompanies the 'king of kings' the Bishop of Rome.

Yours faithfully,
Joseph Ray Sundarsson
