May it please Your Majesty,

One never forgets one’s first international flight; the rush of jet engines, a Swiss Air McDonnell Douglas MD-11 climbing into the night sky near a terrific thunderstorm reminiscent of YHVH as Rudra, bolts of lightning traversing tens of thousands of feet, my Swiss Grand Aunt by by side, the *smell* of croissants, Ramseier sparkling apple juice, the air hostesses, the automated parking lot, the cobbled streets of Bern, the clock tower, the Rose Garden ... Interlaken, Bleriensee, Thunersee, the rolling hills of the Emmental, perfect roads, perfect grass, the *smell* of cheese with big holes!

Mahakali brings us back from a vision of the past.
"London bridge is closed", Your Majesty has been seen in bright yellow, surrounded by men in Top Hats, a black horizontal cell phone, out of focus foreground ... "Roger More, James Bond, A View to Kill", says Mahakali....

South Africa, The Boer War, Dutch, Frenchmen, Germans, Englishmen, Africans, locked in mortal combat, outdoing each other in beastly acts.

Silicon Valley, the covert war for computer chip dominance, A.I. (Artificial Intelligence) Winter, a BBC Microcomputer, Pretoria Boys High School, The Old Boys Association, Prof. Max Theiler, vaccines, control of mind "by cancer and aids", courtesy Mahakali's "Mind Palace".

Mahakali, World-Mind, has shown us:

> Thai woman who was told she had HIV aged eight seeks compensation
> for a 'ruined childhood' after finding out she NEVER had the virus
> (http://www.dailymail.co.uk/news/article-4567280/Thai-woman-seeks-
> compensation-false-HIV-diagnosis.html)

> apparently it is not the only fake HIV case...

> HIV mind control...

> exactly like cancer mind control...

> "I am your doctor tell me your problem"

> "speak freely trust me"

> "and I will find you an issue to control you"

Mahakali is playing 'Mr. Kidson' today. "Juvenile delinquency", She says, appearing as an Oxford 'Beak' School Principal, with a stern visage, w.r.t.:

We are sure Harry and William shall now know how the Jesuits and Medici have been using them and the memory of Diana - form mind control - of their and other minds. The silence descends anew, offering its silent benediction.

We had contemplated the Swiss Air story some time before the Trump
election and had made a wish before YHVH to do something about it, with the thought that a direct flight should be established between Zurich and San Jose, Costa Rica, could be the opportunity for this.

It appears that the LORD has granted our wish, without a single mention of it to anyone.

"My marriage is like a Greek Tragedy", says Prince Charles. The same could be said of "Swiss Banking" as revealed by the Swiss Air break up.

Other major airports will want a direct flight to San Jose, Costa Rica.

We had noticed that Frankfurt and London got connected recently.

That the Swiss were arrogantly *clueless* about law and money is shown by the Swiss Air fiasco and by our other recent experiences in Switzerland with *Compliance* *idiots* and Credit Suisse.

The LORD is present as the witness, the observer, *within* every man, saintly or beastly. The wanna-be-saintly seek to *exorcise* the beastly spirit, which is the mark of ignorance of a wanna-be-saintly-spirit.

*Where* *shall the beastly spirit go?* Into a pig? and then onto thy pepperoni pizza? ... and *digested* ... in *thy* own stomach - to become thy body-self, thy ego, the *beastly devil*. There *is* evil and it is in thee!

In our age, to seek *indomitable will* via computer directed weapon and spy systems in the mark of ignorance of a beast.

The Sphinx is picture language for the transformation of a lion-beast into a man. As we have written below, repeated here for emphasis.

> Those whose *will* is not bowed to Him who crucifies Himself with > His own *will* Power, have *breakable* wills.

There is the matter of Swiss taxes:

> Dear Fidan,
Referring to your email below and attached tax demand from "Kanton Zug" for Keison AG in amount CHF 20,000.00, please hold payment, I do *not* authorise.

Best regards,

Keir

Canton ZUG, a corporate fiction, *is* dissolved. SWITZERLAND *is* dissolved. The tax demand is void. All "Swiss banks" *are* dissolved. All Cantonal and Federal Tax entities in Switzerland *are* dissolved.

It is our wish before YHVH that the "Swiss Banks" and the land known as Switzerland does not turn into an "Egyptian Exodus 32 tragedy".

The LORD God, YHVH, That which IS, searcheth the heart and soul - of every banker, priest and government official.

1 Chronicles 28:9 And thou, Solomon my son, know thou the God of thy father, and serve him with a perfect heart and with a willing mind:

for the LORD searcheth all hearts, and understandeth all the imaginations of the thoughts: if thou seek him, he will be found of thee; but if thou forsake him, he will cast thee off for ever.

It is YHVH, Mahakali, She who is 'seeing' out of thine eyes, 'hearing' out of thine ears, 'doing' and 'feeling' this and that!
When thou art "Killing", it is Her hand that strikes the blow; when thou are *fucking*, it is She who dominates thee!

She *knows* when thou art flaccid
She *is* the invigorating pill ...
She *is* thy computer as She *is* taking away thy skill!

One could just ask Mr. Osborne, former Chancellor, now editor of the Evening Standard, says Mahakali, "he can't put two and two together" ...
"he's got his neck in a noose, as he prints the evening news".

It is our wish before YHWH as Lakshmi Narasimha that all passports of government, bank and tax officials are confiscated without delay - let them get used to it first, having the same "rights" as an African Refugee. The beastly shall *enforce* it - starting from the top - BIS, SNB, BOE, FRBNY, DHS, HMRC, IRS; Priests, Presidents and Prime Ministers ...

The "wonder woman" agreement, as She calls it, between the Bank for International Settlements aka BIS and SWITZERLAND *is* "void". "Toilet paper", says Mahakali, "wipe thy arse with it", as She shows a Potter strike a hammer through a bad clay pot and tosses it in the water as She evokes the "smell" of water on sizzling hot baked clay.

The purpose of this Court of Record of YHWH is to protect men and women from 'bankers', 'priests', 'governments', ... etc., etc.

It is our wish that Her Excellency Doris Leuthard get a full update and that she remove passport controls from the Zurich - San Jose flights *immediately*. There are to be no customs or cash limits either.

It *shall* be the same for London, Frankfurt, Amsterdam, Madrid ...

The word "customs" indicates its origin: the custom of the Muslim Ottoman Sultan to collect gold from the faithful at the doorstep of Jerusalem.

It is the Muslim Ottoman Sultan that gave thee passports. The Fascists became more extreme than the late Muslim Ottoman Sultan.

This 'Muslim custom' was implemented in the original "founding fathers" of the "Organic Republic" America for *their* benefit and those of 'God'-or-'Satan', "the father of lies", in Rome.

It is our wish that Her Excellency Doris Leuthard provide copies and translation(s) to every 'bank' and 'canton' in the land known as
Switzerland. There *shall* be no more 'banking'. Bills of Exchange *is not* "banking".

It is our wish that Her Excellency Doris Leuthard provide copies and translation(s) to the families behind Swiss Air. Bills of Exchange provides those who have trade expertise to get back into their trade that has been unjustly taken from them.

> Nehemiah 10:39 For the children of Israel and the children of Levi > shall bring the offering of the corn, of the new wine, and the oil, > unto the chambers, where are the vessels of the sanctuary, and the > priests that minister, and the porters, and the singers: and we will > not forsake the house of our God.

> 10:39 He that findeth his life shall lose it: and he that loseth his > life for my sake shall find it.

> 10:39 And they said unto him, We can. And Jesus said unto them, Ye > shall indeed drink of the cup that I drink of; and with the baptism > that I am baptized withal shall ye be baptized: 10:40 But to sit on > my right hand and on my left hand is not mine to give; but it shall > be given to them for whom it is prepared.

UNITED KINGDOM *is* dissolved, thus the SUPREME COURT OF THE UNITED KINGDOM, and its CHANCERY and CROWN courts *shall* be shuttered.

*Magistrates* courts *shall* continue to operate under the Common Law.

We send our love to YHVH as Lakshmi Narasimha for Your Majesty!

Yours faithfully,
Joseph Ray Sundarsson

Your Excellency,

Re:
> “Costa Rica demands full compliance with the Paris Agreement as a commitment to the future of our species,” said President Luis Guillermo Solís. "I reiterate our unbreakable will regarding global action against climate change."
www.ticotimes.net/2017/06/02/costa-ricas-response-trumps-climate-acords-exit
"Unbreakable will" belongs to YHVH.

Those whose "will" is not bowed to Him who crucifies Himself with His own "will" Power, have "breakable" wills.

The Truth regarding the false-flag nice-sounding ecological agenda is that it is a Roman extermination program - for "brownies", "Christians" and non-Romans, 'enforced' by the Jesuit oath.

Trump was suckered into an oath of office. He is now been relieved of this since UNITED STATES is dissolved. There won't be a "border wall".

COSTA RICA *is* dissolved. Your job is to maintain the civil peace.

By the grace of YHVH thou art unbound from thy oath of office.

All passport control *shall* be dismantled. Exodus 32 applies. This means, for example, the chiefs of the Department of Homeland Security and U.S.D.O.S. in America shall be slain unless they turn off passport control and their on line immigration computer. It shall be the same in Costa Rica. Inform your "passport" chief and airports and ports of it.

They too are unbound from their oaths of office.

Many, many, *many* people shall visit Costa Rica.

Any man or woman can carry a gun - open or concealed. Inform your "police" of it. "Police" are the internal occupation army of the Jesuits. The Jesuits think they control City of London in this manner.

Her Majesty's troops have a "tad more fire power". This phrase is an English understatement.

The Banco National branch in La Suissa has been selected as the building where the dissolution of banking will take place. Kindly ensure that the Manager/Herrente there speaks English fluently.

We send our love to YHVH as our LORD Jesus Christ for thee!

Queen Maxima wore a dress designed by Edouard Vermeulen of Natan.

Mahakali reminds us that Vietnam is one of the few countries were real estate and loans in gold were linked. She reminds us of the "Killing Fields of Vietnam". She reminds us of Ramakrishna Paramahansa: Maya is "woman and gold".

In this contemplation, we focus on Trump.

"We're going to get to work immediately", says Trump.

Mahakali has shown us how, in Panama City, Panama, the 'Real Estate boom' resulted in buildings already condemned by the Sick Building Syndrome, viz:

Mahakali has shown us how, for example, brand new bank built "posh" office buildings had no fresh air inlet, just split airconditioning;

how buildings specified with one grade of steel or concrete were built with much inferior grades; how 'high end' apartments built with walk-in closets so large that a family could live in it ... all built to promote a culture of worship of the Golden Calf, that the wrath of God might descend thereby for a Roman/Egyptian "sacrifice".

She showed us how, left unchecked, the city would fall to ruin and these instant high rises would become slum-wrecks.

She has shown us in detail how various "Real Estate" Ponzi schemes worked; how "wanna be millionaires" were fleeced; how Real Estate personalities like Trump were kept in a bubble of deception to use the magnet of their strong personalities to fleece weaker ones.

Mahakali has shown us how bankers and lawyers 'Abogados' in Panama City knew not how banking or law worked and how arrogant they were.

Mahakali has shown us how the Communist Bankers of Malta (Vella and Co, Central Bank of Malta) were envious of Panama; how they have this hubris that the bankers of London will come rushing to Malta for "Common Treasure".

To all such, Mahakali, World Mind as remover of illusion, often brings disillusionment. To those who cannot listen, death. This is Exodus 32.

The precedent is available in "stone and bone" ... inform Trump of it.

It is our wish before YHVH that the fake "elections" in England do *not* take place. UNITED KINGDOM *is* dissolved. It cannot be "brought back" by "holding elections". *All* candidates for the "U.K." election *are* disqualified. HMRC *is* dissolved.
There are endless distractions that puppet masters can generate. There must not be fear of taking the next steps.

GIBRALTAR *is* dissolved.

There has been no English "interregnum" since Queen Victoria. In six and a half decades no one, it seems, has noticed. Mahakali reminds us that Her Majesty is sole Monarch of all Muslim nations since the fall of the Ottoman Empire and that fake-Muslims are puppet mastered from Italy. It is the same with Baal, King Tut, etc.

What is happening is like unto an English interregnum.

We have seen a tweet that appears to show Gen. Mattis within a day of our request to unbind him from his oath and give him a full update about how he "does not lose any sleep" and "keeps others awake".

Is he ready to act for this Court of Record of YHVH?

In addition to bankers ... the King of Morocco, Gibraltar, London Chancery Division, the High Court at the Strand, Reading Crown Court, 114 Mount Street, BIS, SNB, all the bastards that have sold mankind down the 'bottomless pit' of sodomy.

Christian rules of engagement apply. The parable of Noah. YHVH, the LORD God, is not "made of cotton candy", to quote Gen. Mattis. He keeps people "awake at night!". Literally, for example, from testimony from a recent incarnation:

> Sarada Devi, in the company of her husband, had rare spiritual
> experiences. She said: "I have no words to describe my wonderful
> exaltation of spirit as I watched him in his different moods. Under
> the influence of divine emotion he would sometimes talk on abstruse
> subjects, sometimes laugh, sometimes weep, and sometimes become
> perfectly motionless in samadhi. This would continue throughout the
> night. There was such an extraordinary divine presence in him that
> now and then I would *shake with fear* and wonder how the night would
> pass. Months went by in this way. Then one day he discovered that I
> had to *keep awake the whole night* lest, during my sleep, he should
> go into samadhi — for it might happen at any moment —, and so he
> asked me to sleep in the nahabat."

These lines in Revelations:

> 10:9 And I went unto the angel, and said unto him, Give me the little
> book. And he said unto me, Take it, and eat it up; and it shall make
> thy belly bitter, but it shall be in thy mouth sweet as honey.
>

We recall to thee the Lakshmi Narasimha hymn to make His visage calm and peaceful again!

It is our wish that ye send a message to Gibraltar, to the London courts, to the "Super Wasps" and "Asian Hornets" in London; to any holdouts amongst the Jesuits and to Morocco and the mad Italians that their time is up.

Who is holding up the Bishops of Rome and Her Majesty from their wish to travel? What threats are they making?

We send our love to YHVH as Lakshmi Narasimha for all of thee!

We suggest that all electronic and paper correspondence of Prof. Schellnhuber / PIK, call records, etc., are archived for investigation.

We suggest that you contact Chancellor Angela Merkel to take suitable steps to bring the truth into the public domain.

Your Holiness,

Ave Maria!

Subsequent to the "Potsdam missile" (Revelation 1:16) unleashed by this Court of Record of YHVH, our Lord Jesus Christ, we see that Your Holiness' encyclical has been leaked. ["Potsdam missile" -> http://www.courtofrecord.org.uk/gicor/record/US/faxes/Potsdam/Potsdam_15-June-2015.pdf ]

We see that the leak has been called a "heinous act", by a 'Vatican spokesperson'.

We see that Your Holiness' encyclical is scheduled to be released tomorrow, 18 June 2015, at 11AM.

We have read English language excerpts here:

We see that the astrologers of Satan/Set ("the South") who wish to release a document when Mars
conjunct Sun is opposite the Galactic Centre, whose purpose is to disrupt fuel supplies, destroy cities, dams and farms, and cause Your Holiness to utter words against the dominion over nature given to Man by the LORD God, YHVH. Is this Your Holiness’ wish?

Genesis 1:26 And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth.

We suggest that Your Holiness not release the document as scheduled, pending a full investigation. ... Such an independent investigation is already being conducted by this Court of Record of YHVH and the Allies for the Rule of God’s Law, His Statutes and Judgements, preserved in "stone and bone" by Our Immaculate Virgin Mary, 'my fair lady'.

We send our love to YHVH for thee!

Our contemplation regarding Bills of Exchange and how they can allow even a tax collector like Zacchaeus to repent and make amends for his greed follows:

Dear George W. Bush,

[snip]
We have contemplated in detail Luke 19 and the plight of tax collectors and regarding U.C.C. Mirror Reflection. The grace of Mahakali shows us that it is possible for them to fulfill:

Luke 19:8 And Zacchaeus stood, and said unto the Lord: Behold, Lord, the half of my goods I give to the poor; and if I have taken any thing from any man by false accusation, I restore him fourfold.

In brief, you need a money source and a sink. Everything is "mirror reflected" in commerce. In the example of Costa Rica, what President Solis must do is come up with Pro Forma Invoices for goods imported by
Costa Rica. These can be "Accepted for Value" and placed on deposit with a 3 Yr expiry date. On the first day of the fourth year the note will be worth zero. When the acceptance is done by this Court of Record of YHVH, this becomes primary money-of-account.

The 'tax collectors' must then go 'repay' all those they have taken money from by "false accusation" fourfold - in 'cash money' for them to spend.

'Cash money' can be printed with a three year expiry date interchangeable with money-of-account.

'Banks' will want access to Truedledger once they wish to 'transmit' this money of account without shipping paperwork back and forth.

We send our love to YHVH as Rudra for thee!

We have also taken steps against those who sought to abuse the system of 'banking' that exists.

Dear George W. Bush,

> "It happened in the space of a minute," restaurant owner Antonio

This we believe is evidence that there is a ‘black’ operation, which we
believe is coordinated by Mrs. Green, to make a Bills of Exchange very
unpopular.

We shall contact the Duke and Duchess of The Rock and have them contact
this restaurant to pay the bill.

The mechanism we have explained in our last email, the process will
create Bills of Exchange on deposit in Euros for Europe.
> In brief, you need a money source and a sink. Everything is 'mirror

In this example, the Pro Forma Invoice is from the restaurant.

Have the restaurant raise a Pro Forma Invoice for 1 years worth of free
meals. They can then renew that invoice annually. Every restaurant will
want to do this. This is good!

We send our love to YHVH as our LORD Jesus Christ for them and for thee!

The one we know as Keir has taken the first step to placing such Bill of Exchange on
deposit. His email regarding the one to 'Lilly Engineering', follows:

Dear Sir,

For the record,

Hi Patrick,

Further to our earlier conversation today, please print out the
attached PFI 'Accepted for Value' and present to your bank with a bank
deposit slip crediting the amount to your account.

That's all that's needed, it does not have to be presented by an
officer of your company, same as depositing a check.

If there are any questions, refer them to me at the email given under
my signature kargent@courtofrecord.uk.

Best regards,

Keir
It is our wish before YHVH that all such deposits are “tax exempt”. Such Pro Forma invoices may be transmitted electronically, for example, by email, or by fax. It is the conscious acceptance for value and the corresponding conscious creation of the deposit that creates the money-of-account.

The market will work out how to forgive, that is, expire this money-of-account. We believe that a negative 33.33% S.I. on circulating money-of-account will serve the purpose. Accumulation of such money-of-account is fruitless; the expiry serves to accelerate trade.

The balance between the creation and destruction of such money-of-account will naturally allow exchange rates to widely traded commodities such as oil and gold to return to pre-1914 levels.

We have seen in detail the history of accounting that has led to this day, from the definition of “pay” by the then Austrian Emperor, to the Bills of Exchange system in London, to the use of bank credit, to “Modern Money Mechanics”, to the demonstrated incapacity of today’s “Bankers”, “Chancellors”, “Lawyers”, and “Chartered Accountants” to understand the instruments they use.

We recall Your Majesty’s visits to the Bank of England, to the London School of Economics, to the Cabinet Room as examples of when such incompetence was visibly demonstrated for all to see. We also recall the petulant ignorance of the Chancery courts and Solicitors regarding KEISON INTERNATIONAL LIMITED; we also recall the humorous news report of how bankers were only going to sign contracts they "understood". It is the same in America, Malta and Switzerland.

We shall forward under separate cover the Pro Forma invoices and certain flight travel arrangements that have been made.

It is our wish before YHVH as Lakshmi Narasimha that those whose responsibility it is, take such steps that are necessary to ensure a safe flight and no hassles at 'customs'.

We send our love to YHVH for Your Majesty!
