Holy Fathers,

Ave Maria!

"There is power in the blood of Christ", is a phrase, we have seen in Christian writing in America. While Jesuit fathers attempt to 'feel' the Crucifixion and serve the psychological warfare purpose of their Roman Masters, it makes for a different kind of contemplation.

The blood dripping from the fresh wounds drips to the /ground/.

We have yet to see anything more than hot, Trinitarian gas, as an explanation for the

'belief' in the Trinity. We dare the various 'Catholic' writers and preachers to explain, precisely, what is this Roman Catholic view of the Trinity.

The blood of Christ mixing with the /dust and dirt/ on the ground, gets carried by the hot dry desert winds around the earth, making Him /one/ with the /ground/, wherever thou may tread.

Did not thou think, that this "blood would boil", with 'righteous anger' at the efforts of the Roman Priests to suppress and pervert His teaching?

Where didst thou think King Henry VIII and Walsingham, MI One, came from?

There is a tapestry, still extant, by King Henry VIII, showing the Pope being stoned by rocks labelled Matthew, Mark, Luke and John.

Genesis 3:22 And the LORD God said, Behold, the man is become as one of us, to know good and evil: ...

Bastard: A man without a Father, which art in Heaven.

What doth the /bastard/ Patricians of The Families think shall happen to them? Our Lady of Walsingham shall think of them!

Upas tree

We recently quoted from the Hansard record about the /upas tree/. His Holiness Pope Francis has spoken of the "barren fig tree". His Holiness Pope Benedict XVI has spoken about the "weeds that have grown up" in the Garden of the Lord.

What is this Upas Tree?

- > Antiaris toxicaria is a tree in the mulberry and fig family, Moraceae. ... Its
- > seeds are spread by various birds and *bats* and it is not clear how many of the
- > populations are essentially invasive.

This is preserved in the English cultural memory thus:

- > Here we go round the mulberry bush,
- > The mulberry bush,
- > The mulberry bush.
- > Here we go round the mulberry bush
- > On a cold and frosty morning!

The related ditty is instructive:

- > Here we go gathering nuts in May,
- > Nuts in May, nuts in May,
- > Here we go gathering nuts in May,
- > On a cold and frosty morning.

- > Who will you have for nuts in May,

- > Nuts in May, nuts in May,
- > Who will you have for nuts in May,
- > On a cold and frosty morning.
- > ...

Nuts ... idiots. May ... Maypole.

A contemplation, "when were these tares planted and by whom", gives much insight.

The early tares were sprinkled about Europe with the Crusades, preached by Pope Urban ...

- > History in her solemn page informs us, that the Crusaders were but ignorant and
- > savage men, that their motives were those of bigotry unmitigated, and that their
- > pathway was one of blood and tears. Romance, on the other hand, dilates upon their
- > piety and heroism, and portrays, in her most glowing and impassioned hues, their
- > virtue and magnanimity, the imperishable honour they acquired for themselves, and
- > the great services they rendered to Christianity...
- > — Charles Mackay
- > www.courtorecord.org.uk/madness
- > The Madness of Crowds.

Pope Urban, convinced that the Sultan controlling Jerusalem was getting too rich by his toll on those who wished to enter Jerusalem, and out of gold lust, preached the Crusades. The Roman Priests emulated this toll by the Statute of Liberty on Ellis Island. Gold Lust put into practice by "historical and literary" worship of the Golden Calf.

These seeds sprouted and bore their venomous fruit: "Excommunication for debt". The tares multiplied themselves before the faithful of Christ. The use of excommunication as a tribal affiliation token continues to be popular among the bastards of the Roman Church. Where are the Christians in the Clergy? We suggest that a copy of this letter be given to Mr. Sarah. Art thou angry, Mr. Sarah?

<http://www.catholicherald.co.uk/commentandblogs/2016/03/10/the-unstoppable-rise-of-cardinal-sarah/>

- > For this reason we forbid anyone from this time forward to dare, either by words or
- > by deeds, to receive, defend, sustain, or favour the said Martin Luther. On the
- > contrary, we want him to be apprehended and punished as a notorious heretic, as he
- > deserves, to be brought personally before us, or to be securely guarded until those
- > who have captured him inform us, whereupon we will order the appropriate manner of
- > proceeding against the said Luther. Those who will help in his capture will be
- > rewarded generously for their good work.
- > Edict of Worms was a decree issued on 25 May 1521 by Emperor Charles V

The bastard Papal Nuncio at the diet, Girolamo Aleandro, drew up and proposed the denunciations of Luther. Did not the LORD command that the Gospel be spread to the ends of the Earth? Did his act result in much poisonous pain and suffering in the centuries past?

Did the act of the British Chancellor to forgive all debt in 1914 after taking refuge in the Lord's Prayer trigger the assassination of of Pope Saint Pius X?

> In 1913, Pius X suffered a heart attack, and subsequently lived in the shadow of poor
> health. In 1914, the pope fell ill on the Feast of the Assumption of Mary (15 August
> 1914), an illness from which he would not recover. His condition was worsened by the
> events leading to the outbreak of World War I (1914–18), which reportedly sent the
> 79-year-old pope into a state of melancholy. He died on 20 August 1914 of a heart
> attack, only a few hours after the death of Jesuit leader Franz Xavier Wernz and on
> the very day when German forces marched into Brussels.
> https://en.wikipedia.org/wiki/Pope_Pius_X#Death_and_burial

Since then, the Lord's Prayer has overcome Europe and its filthy Patricians and Roman Clergy.

We have prayed to assuage the anger of the LORD. The answer is found in scripture:

Exodus 32:26 et stans in porta castrorum ait /si quis est Domini iungatur mihi/
congregatique sunt ad eum omnes filii Levi.

This is the question for The Families and The Clergy. Have you forgiven all your debtors? There is no debt.

Duke of America, Father General

We create the living man known as His Excellency George W Bush, Father General and Duke of America in Her Majesty's Commonwealth of Nations, with the right to wear a Garland of Skulls, signifying Power in Exodus 32 to slay the Bastards and as Duke to exercise all rights of conquest over Europe.

It is our wish that all 'City States' starting with Vatican City State and Washington D.C. are dissolved. Vatican City State, Rome, Brussels and Washington D.C. are placed under his direct Admiralty jurisdiction.

The 'Republic of Italy', the 'Republic of Malta' and any other entities in the region, for example, in Cyprus, Greece and Macedonia are dissolved. Those who have closed borders in the region are to be captured dead or alive [vide post].

We have shown and His Holiness Pope Francis has acknowledged that the City of London is a formal corporation. The Lord Mayor of the City of London is under investigation for treason to Her Majesty Queen Elizabeth [II] in this Court of Record of YHVH.

Arrest Warrant

This is an arrest warrant in Admiralty, wanted dead or alive, for the man known as Donald Franciszek Tusk, President of the E.U. Council. The E.U. corporation/council and associated entities *shall* be shut down. The associated multi headed beast, The Octopus, shall be slain.

Exodus 32 and the Lord's Prayer

He is to take necessary steps to apply the test of Moses and Jesus including but not limited to across all The Families, Kings, Sultans, Sheikhs and Imams, Rabbis and all The Clergy and the P2 Masonic Lodge, wherever in the world they may be. He has rights of hot pursuit, no borders or forces withstanding. He has the right to destroy sacrificial altars and Churches, Mosques or Synagogues where such are practised and enforce the end to such worship. He has the right to slay the paedophiles of the Church [vide post] and blow up all underground facilities.

We have shown that Exodus 32 is merciful. We have shown that 'sacrifice' of an animal, is considered a 'sacrifice' by God only if the Shepherd had personally raised the animal and protected it with his life against natural dangers of the desert or jungle. The "mass of evil" generated by idiot priests shall overwhelm them - he has the right to sacrifice them even as they practice sacrifice.

Matthew 5:38 Ye have heard that it hath been said, An eye for an eye, and a tooth for a tooth: 5:39 But I say unto you, That ye resist not evil: but whosoever shall smite thee on thy right cheek, turn to him the other also.

Are the "sacrificial priests", Christian ?????? Do any of them or their flock think they are going to get paid gold?

> "Charles Darwin's works were notably never included".
> https://en.wikipedia.org/wiki/Index_Librorum_Prohibitorum

Your Holiness, by the action of prior Popes, finds thyself Calif of the Church of the Primates of Darwin and thy 'European' flock retarded cavemen of the concrete jungle, eating the bitter fruit of the Upas tree.

Has Your Holiness been answered as to why thy Mexican brethren do not find "social justice"? How do they worship? How does "formation" happen in fucking Mexico? His Excellency George W. Bush, son of Mahakali, YHVH in Her Wrathful aspect, has the right to order the "merciful" castration of fuckers and rapists the world over - in the exact same way Mexican Bulls are castrated.

<http://www.catholicherald.co.uk/news/2016/03/09/church-magazine-in-mexico-city-questions-popes-rebuke-of-bishops/>

We suggest that Your Holiness send the "stiffnecked" fuckers a copy of this letter. "Fear of God is the beginning of wisdom" - Papal Bull.

Mercy ends cruelty

> Only where there is mercy does cruelty end, only with mercy do evil and violence
> end. Pope Francis is totally in agreement with this line. His pastoral practice is
> expressed in the fact that he continually speaks to us of God's mercy. It is mercy
> that moves us toward God, while justice frightens us before Him. In my view, this
> makes clear that, under a veneer of self-assuredness and self-righteousness, the
> man of today hides a deep knowledge of his wounds and his unworthiness before
> God. He is waiting for mercy.

Love of YHVH, BEING, leads to fearlessness and the Courage of a Lion. This is the message of the Sphinx.

Paedophiles

Was 'Justice Scalia' a paedophile?

We are investigating the further information that has come out regarding Justice Scalia was a paedophile, a practice that appears to be widespread amongst the ruling class. Mahakali has shown us the Wrath of God that is present against this.

> Judge Scaly's Sordid Demise - "Scalia Liked to Fuck Little Boys" - A 13-Year-Old

> Boy Slit Scalia's Throat ... Scalia liked to fuck little boys. I know this from

> personal experience – as he was one of my primary abusers as a child ...

> www.abeldanger.net/2016/03/judge-scalys-sordid-demise-scalia-liked.html

We also know that this vile practice has been put in place by Roman Priests. We know that this practice pervades Europe and the Roman Church. What say thou, Mr. Sarah?

The clock in the sky shows Moon in a grand trine with Uranus Saturn. Jupiter is trine Pluto; Venus conjunct Neptune, Chiron conjunct Ceres opposite node ... lunar eclipse is on the 23rd.

It is impossible to hide from the LORD

> "During an early period of my association with the master, I had to contend with the
> opposition of my employer," Roy went on. "He was steeped in materialism.

> "'I don't want religious fanatics on my staff,' he would sneer. 'If I ever meet your
> charlatan guru, I shall give him some words to remember.'

> "This alarming threat failed to interrupt my regular program; I spent nearly every
> evening in my guru's presence. One night my employer followed me and rushed rudely

> "'Would you all like to see a picture?'

> "When we nodded, he asked us to darken the room. 'Sit behind one another in a
> circle,' he said, 'and place your hands over the eyes of the man in front of you.'

- > "I was not surprised to see that my employer also was following, albeit unwillingly,
- > the master's directions. In a few minutes Lahiri Mahasaya asked us what we were
- > seeing.

- > "'Sir,' I replied, 'a beautiful woman appears. She wears a red-bordered sari, and
- > stands near an elephant-ear plant.' All the other disciples gave the same
- > description. The master turned to my employer. 'Do you recognise that woman?'

- > "'Yes.' The man was evidently struggling with emotions new to his nature. 'I have
- > been foolishly spending my money on her, though I have a good wife. I am ashamed of
- > the motives which brought me here. Will you forgive me, and receive me as a
- > disciple?'

- > "'If you lead a good moral life for six months, I shall accept you.' The master
- > enigmatically added, 'Otherwise I won't have to initiate you.'

- > "For three months my employer refrained from temptation; then he resumed his former
- > relationship with the woman. Two months later he died. Thus I came to understand my
- > guru's veiled prophecy about the improbability of the man's initiation."

Destroying evidence, grandstanding, equivocating or lying does not fool Jesus Christ, Ground of Being, the One who lives in the heart. How are you going to run away from Him?

News

- > Argentina shoots & sinks Chinese trawler for alleged illegal fishing
- <https://www.rt.com/news/335845-argentina-china-sinking-rescue/>

We have been watching Argentina's new Jesuit 'BBC' sponsored government. Someone, either the President, Nuncio, Navy or maritime authority or spook has made an "error of judgement".

We recall here our investigation into the worldwide board and scuttle operation, notably our intervention regarding Enrica Lexie. We recall also our intervention with Judge Thomas Griesa regarding Argentine "debt", which has generated more news recently:

<http://en.mercopress.com/2016/03/16/judge-griesa-sends-strong-message-of-support-for-argentina-at-crucial-moment>

We recall also how ex-WWII Nazis settled in Argentina and Antarctica, how there are underground bases there and how the Pope from Argentina was supposed to start a war with Great Britain, for the Roman Priests.

We recall here that 'Great Britain' has been the 'rock' against which the idiots of Europe have been dashed in two World Wars and across three centuries. We recall here the stupidity of the Roman Catholic population in South America in the Guerra de la Triple Alianza and the horrors of the past decades in Argentina.

We recall here the Treaty of 1213 between the Holy See and England.

Argentina, no one is crying for thee. Thou has been caught red handed with thy pants down.

It is the duty of this Court of Record to defend the men, women and children of Argentina from the bastards doing business as Argentina.

Lex parsimoniae: Occam's Axe

This Court of Record of YHVH does not recognise the 'sovereignty' of any nation or state. It is our wish that military forces loyal to His Excellency George W. Bush, operating under The Princess Royal, The Princess Anne, with His Excellency Vladimir Putin as General in charge, evict all Nuncios and Ambassadors from America, starting with Argentina and Chile.

The 'Administration' in Argentina better learn the legal meaning of the word, "administration". See Motu Proprio of Pope Francis dated 11 July 2013. See also the recent news about the dissolution of the United States:
www.courtofrecord.org.uk/uscong

All 'administrations' including but not limited to the United States and United Kingdom shall dissolve. Necessary force is authorised to inform - or to slay - the idiots who now are "charged" with administration in the land known as Argentina. Exodus 32 applies. Thou can be discharged at any moment - if necessary thy life shorted out by the sharp metal blade of Exodus 32. Heard of JFK?

Roman Seeds of Tyranny: Duumviri 'Roman dual magistracy'

- > In ancient Rome, duumviri (Lat duumvir, "one of the two men"; in plural originally
- > duoviri, "the two men") was the official style of two joint magistrates. Such pairs
- > of magistrates were appointed at various periods of Roman history both in Rome itself
- > and in the colonies and municipia.
- > <https://en.wikipedia.org/wiki/Duumviri>

This is the principle, successfully implemented by Adolf Hitler, that saw Europe torn apart from within.

This is the principle, that the Kings of Europe and the Roman Priests have foisted upon an unsuspecting world, by giving colonies 'independence', whilst installing a Nuncio and a 'President' and/or Parliament, doing business as the legal fiction COUNTRY, a fake republic.

The object of this tyranny is to create endless war for the purpose of stealing gold and resources from such countries and as a cover for genocide, to place the blame on an idiot tyrant 'dictator' like Adolf Hitler or, more recently, upon a false-flag environmental agenda.

This shall happen no more. Those found in Contempt of Court of this Court of Record of YHVH, Ground of Being, our LORD Jesus Christ, shall be plucked out of their familiar surroundings even as an Eagle snatches a fox on the hunt.

We grant this Power to His Excellency George W. Bush, Duke of America in Her Majesty's Commonwealth of Nations, which excludes no 'nation' in our lovely Earth.

He is to capture, dead or alive, those idiots from Europe who have closed borders. They shall be PLUCKED out of their surroundings or slain.

The symbol of this Power shall be the Golden Eagle and His Excellency George W. Bush can emblazon his Coat of Arms or Flag with such.

Wherever there is a problem, for example, the parasite within Parliament in the U.K., the closure of borders in Greece / Macedonia, etc., two or more decision making points are involved such that blame can be shifted onto the other party.

This is the basis of 'politics', where 'civilised' Roman Tyranny is used at the ballot box to deprive unsuspecting voters of their liberty.

There is not one 'representative' of the men, women and children of this planet in *any* legislature. They have sold their soul for a piece of meat and those of the men and women they claim represent and do not even know it. Exodus 32 applies.

Numquam ponenda est pluralitas sine necessitate
William of Occam (circa 1287–1347)

Image: An Axe

The result is Occam's Axe: /this/ is the axe to chop down the Upas Tree Grove known as the United Nations and the European Union. Jesus Christ, The Good Shepherd has gone ahead of thee and ringed all the Upas trees by the grace of The Lord's Prayer.
