XXX Begin fax to Rabbi Sacks XXX

01 December 2015

Dear Rabbi,

A courtesy copy of our fax to the Prime Minister and that to COP21 attendees follows. Kindly pass it on to "Jacob". He will have the resources to ensure that the hotels in Paris pass on copies to their guests. He will also have the resources to "weed the garden", to quote His Holiness Pope Benedict XVI, in the House of Lords.

The corporate nation-state system must come to an end. The process of rule by committee/commission must be scuttled. It was put into place circa the 1707 Acts of Union as a result of the "Protestant Reformation". This was done because it was known then that it provides only the appearance of the Rule of God's Law. The same applies to a larger body, for example a 'congress' or 'parliament'.

We recall Parkinson's Law of Delay. Time wasters and blackmailers are not to be tolerated, they can go on immediate Gardening Leave.

We suggest that steps be taken to discover and remove all obstacles to a Temple economy and free movement of men, women and children in a non-territorial mode of governance.

We suggest that Jacob reach out to the Royal Family of Spain to normalise relations. As it has been shown, comprehending the current system of 'money' is not simple; even at the 'highest levels', there are only a few who can perform this task. That 'taxation' somehow lends 'value' to fiat bank-money-of-account or paper-cash is the biggest illusion in the man made religion of 'money'. The actual mechanism is like unto arbitrage betting on sports-books to harvest excess tokens. Yet hardly anyone knows that there is such a mechanism. Various 'sovereign' funds and oily-garchs are the *idiots* holding the *useless* proceeds. Some of them even are further spell bound by some sort of black magic ritual, which, gives them some sort of idiotic belief that the ritual is responsible for their "wealth".

We have read your essay on fear, it is correct and pertinent. Fear based rule of "other" minds must end. There is no "other"; yet this does not mean everything is turned into some sort of communistic mush. We applaud Jacob's message regarding his recent ruling on this.

We send our love to YHVH for thee!

Queen Letizia of Spain
cc: Ladies of the Spanish Court

cc: Queen Rania of Jordan
cc: Ladies of the Jordanian Court

cc: Her Majesty Queen Elizabeth [II]
cc: Ladies of the Court of St. James

Journal, Amicus curiae

21 November 2015

Dear Letizia,

It is delightful that Queen Rania of Jordan had come to visit. "Shades of grey, is all that I see" ... is a song by Billy Joel, which summarises the difficult situation you find yourself in.

The Spanish "pain body" is strong, what with Franco, the perverts of the Catholic Church and the karma of the colonies and slavery. The difficult karma of the tribes of that part of the world goes a long way back. Think of it this way: Gibraltar is really the exit of De Nile into the Atlantic.

The Gospel of Mary

" Did He really speak privately with a woman and not openly to us? Are we to turn about and all " listen to her? Did he prefer her to us? "

http://www.jesusfamilytomb.com/holy_books/apochryphal/gospel_mary.html

We have consistently copied in the Ladies of the Court of St. James. The 'Catholic' Church likes to pretend that they are bringing "woman's lib", to, for example, the Indian subcontinent. What about Spain? or Italy for that matter. "Woman's lib" was invented by money men to supply workers to make bombs when the men are out at war.

Donald Trump, who has been "groomed" to run for the office of the President of the United States, has said several idiotic things recently about women. Someone must remind him that he was born from a bleeding cunt.

Oooh, the C word, the C word. This is the reaction of those who claim to worship Our Immaculate Virgin Mary, but fail in theology, despite degrees from Pontifical universities. How can the superior be liberated from the inferior? The inferior (male body) must /look up/ to woman (female body) for the clues to liberation/salvation/moksha.

There is no word for "intellectual prior" in picture language. Contemplation of birth is picture language for "intellectual prior". The male body is "pushed out" via the "exit" into the world from "up, above", into exIStence. This "intellectual prior" is not some concept, Paul Brunton calls Her, World Mind, mentally holding the 'material' atoms and thy body before thy conscious perception. The World Mind, without losing its non-dual 'virginity', pushes out the conscious ego-personality that is reading this letter into the dilemmas of existence.

But wait, the theologian jumps in, God said Woman was made from Man's rib. That quote is from Genesis, which describes the prior to the intellectual prior, the "Intellectual Principle of Man". Man/Woman are of one "substance", one "flesh". Hence rib, a "fleshy" part of the same unity of the Intellectual Principle of Man.

The Greeks, Islam, the Moors and Spain

The language we are using above, comes from the Enneads of Plotinus, via the Islamic scribes of the Moors, to England at the conquest of the Moors by the gold worshipping 'Catholic' barbarians of that time. At the same time came Indo-Arabic numerals, the concept of zero, modern surgery and so on, saved from extinction by refuge in the British Isles.

The key to the mystery of this symbolic language comes from Paul Brunton from his trip to India and further east to the jungles of Angkor Wat.

Full circle

This happy time, when this knowledge comes back to the Queen of Spain can only signal the grace of the Highest Heaven.

From the Gates of Hades to BEING

Pluto has completed its retrograde and moves forward toward conjunction with the natal sun of His Majesty King Juan Carlos of Spain - on his upcoming birthday.

Every woman is Our Immaculate Virgin Mary, Mother, Beloved

This is the non dual view of those who have attained to the Intellectual Principle of Man.

Let it be

So you must go, as Mother to His Majesty King Juan Carlos of Spain.

You must ask him what a "pepino" has to do with the current state of world affairs. He may not want to answer you. You must let it be.

We know that "thus far I have guided you all", is his thought, and he has let go to watch what happens. The LORD has not relieved him of his duties in earth. It is our wish that he complete the task that the LORD allotted him in this life. He must contemplate his intellectual prior and its prior, Christ. This is the way to "transcendence".

It is his duty to the Spanish speaking men, women and children that he prevent war. We have shown above that the intellectual prior of The English civilisation comes from the land of Spain. There is no conflict. The "pepino" from Spain too has had its role to play in taming the Barbarians of the Hammer. It is our wish that His Majesty King Juan Carlos do what must be done to untangle and cut down the "pepino" creeper from paths in our lovely earth, then kiss the Sleeping Beauty, Mary, Our Beloved.

We would like to see you all. There are plans of some who wish to come. It is our wish that you contact the Ladies of the Court of Saint James who can help you contemplate our letters.

We send our love to Our Immaculate Virgin Mary for thee!

25 November 2015

It is full moon day, the moon is not quite full yet, moon is trine Jupiter. In a few hours, when the moon is full, it will be conjunct Saturn.

" It is enough that one surrenders oneself. Surrender is to give oneself up to the original
" cause of one's being. Do not delude yourself by imagining such source to be some God outside
" you. *One's* *source* *is* *within* *yourself*. Give yourself up to it. That means that you
" should seek the source and merge in it. Because you imagine yourself to be out of it, you
" raise the question "Where is the source?" Some contend that the sugar cannot taste its own
" sweetness and that a taster must taste and enjoy it. Similarly, an individual cannot be the
" Supreme and enjoy the Bliss of that state; therefore the individuality must be maintained on
" the one hand and God-head on the other so that enjoyment may result! Is God insentient like
" sugar? How can one surrender oneself and yet retain one's individuality for supreme enjoyment?
" Furthermore they say also that the soul, reaching the divine region and remaining there, serves
" the Supreme Being. Can the sound of the word "service" deceive the Lord? Does He not know? Is
" He waiting for these people's service? Would not He - the Pure Consciousness - ask in turn:
" "Who are you apart from Me that presume to serve Me?" "

Ramana Maharshi, circa June 1936

" D.: We surrender; but still there is no help.

" M.: Yes. If you have surrendered, you must be able to abide by the will of God and not make a
" grievance of what may not please you. Things may turn out differently from what they look "
" apparently. Distress often leads men to faith in God.

" D.: But we are worldly. There is the wife, there are the children, friends and relatives. We
" cannot ignore their existence and resign ourselves to Divine Will, without retaining some

" little of the personality in us.

" M.: That means you have not surrendered as professed by you. You must only trust God."
Ramana Maharshi, 28 March 1935

We read that there are people going to His Holiness Pope Francis for "assurance". What more 'assurance' can you have than "That which IS"? The All Merciful nature of That Which IS is sung by the sages and saints of all religions.

The nature of such surrender is not like a surrender to a tyrant.

" The Master cited Kaivalya as follows:- The disciple, after realising the all-shining, unitary, unbroken state of Being-Knowledge-Bliss, surrendered himself to the master and humbly prayed to know how he could repay the master's Grace.

" The Master said: "My reward consists in your permanent unbroken Bliss. Do not slip away from it."

His Majesty King Juan Carlos, having let go, has begun the first stage of surrender to One, Self, Christ. This is Good News.

Offer the troubles and difficulties to the LORD. We have heard, for example, of the "Preitenegg problem". Every country in Europe has a built in civil war with lunatics manning the posts. This is described in the Wikipedia article, "Operation Gladio".

"Erdogan's son, leads his father to the scaffold." is a tweet that summarises the situation in Turkey. Yet even he has said recently, "I want to be like the Queen of England". This is letting go, opening the possibility of Holy Peace.

We have read regarding Her Majesty Queen Elizabeth II, "Queen tells CoE to learn art of peacemaking amid splits over sexuality" ... "journey that still lies ahead in the pursuit of Christian unity". The Queen is travelling to Malta ... for the Commonwealth Heads of Government Meeting (CHOGM), 27-29 November 2015.

We send our love to YHVH that you can visit with Her Majesty Queen Elizabeth [II] in Malta, having secured the blessing of your in-laws, who are like unto the picture image of Shiva and Parvathi, whom we wish to see.

We send our love to YHVH for all of thee!

Journal, Amicus curiae

19 November 2015 early hours

Dear Rabbi,

A courtesy copy of our fax to the Prime Minister of India follows. In the past five days since our fax to you, Europe has changed. No longer is it unsafe in France for Jewish men, women and children. The actual reality is quite different from the official portrayal in the media. There be Guards and Dragons. ... sacré bleu. Its 'cold' out there, for those without faith.

"Abraham did not wait for God to act. He understood one of the profoundest truths of Judaism: that God is waiting for us to act", you have written recently.

<http://blogs.timesofisrael.com/faith-in-the-future-chayei-sarah-covenant-conversation-5776-on-spirituality/>

God is waiting your *you* to act

We would like to see you! We would like to see the Rothschild and the other families. Her Majesty The Queen, the Popes, Bush, Putin would like to see us, we are certain.

Worship of books of account is worse than worship of gold. Let us not pretend that worrying about who has shares in the "Nitrate kingdom" is going to help. That the 'Empire' wishes to 'get rid of Nitrates', is in the chatter. It is an old problem:

"We live in an age when the worship of the Golden Calf is getting daily more scandalous. We have all sorts of Nitrate kings and men who have become rich—Heaven knows how—becoming the darlings of Society. [Interruption.] Have hon. Gentlemen got shares in the Nitrate kingdom? These people raise the level of expenditure, spread abroad their wealth, and get somebody to invite people to their entertainments. [Interruption; Cries of "Question."] I know how the Nitrate shares were divided. But these worshippers of the Golden Calf are persons with whom I have no sort of sympathy." ...

http://hansard.millbanksystems.com/commons/1889/aug/01/prince-of-wales-children-bill-no-358#S3V0339P0_18890801_HOC_309

The 'merciless' stance of legal idiots across the channel in France is a recursive legal function applicable to idiots who are then free to take the Cato Knife option. Each man or woman in the Constitutional Council of France, for example, must decide their own fate. The 5th French Republic shall dissolve as a result. This has already been initiated: www.courtrecord.org.uk/France-PDF, which is attached. You should also read www.courtrecord.org.uk/Putin-PDF.

Exodus 32 applies to idiots who worship gold or money or shares or books of account. YHVH, it may be said, always and continually wishes to see a demonstration of faith, even as a young maiden is anxious for her lover.

There is no authority for UNITED KINGDOM to go to war. Cameron, an officer of U.K. PLC, wants to 'bomb Syria' like an idiot and fly around in his own special plane with his buddies. We have asked for action in Admiralty, but that has nothing to do with the officers of U.K. PLC. They are no better than "merciless" Hollande or the Fabians *if* they adopt that attitude. This shows that they are in the dark as to what actually is going on in France.

What is needed is the surrender of the Jesuit installed system of titles and government. The Aix-la-Chapelle, the 15th November, 1818, convention, protocol and immunity are void. The 'Holy Alliance' may now be called the 'Muslim Brotherhood', a false flag front, because they no longer believe in anything.

The Torah is about the sacrifice of the 'ego'

Living in a gilded cage, the ego fans itself with titles, pleasures and important "contracts" always written with some time-in-the future when they are going to result in magic. The Jesuits have provided these fictions in abundance to keep thee prisoner. "Jam yesterday and Jam tomorrow, but

no Jam today".

The Torah is about the dreadful fate of those who trusted in these things.

Mr. Rothschild, once he gets over his Jesuit granted title, is then no longer a prisoner. To claim this freedom, he must act. He must act to travel together with Her Majesty The Queen, the two Popes, and whoever is dear to him to come see us. Try, try, try. Now, now now. There is no other time. This is how the remaining shackles are broken by the grace of YHVH.

The deep Ground of Being is like unto an innocent, shy, beautiful young woman. YHVH is a jealous God.

"The purpose of the first date is to get the second date". "The purpose of the first grace, is to get you to ask for the second grace". Imagine a young woman scorned for making the first advance.

19 November 2015 22:11 GMT

We tried to send the above text in the early hours of today, but the fax service was down, 'no connection', possibly to its database. There is nothing that happens without a reason, for all is within YHVH. So here we are, going to 'try' again 'now'. We can see some more today, it appears that the news of the day has clarified some muddled it. It appears that Cameron et al have not adopted that idiotic 'merciless' attitude. It appears that there are travel plans.

We have read your essay:

<http://blogs.timesofisrael.com/how-the-light-gets-in-vayetse-covenant-conversation-5776-on-spirituality/> "Then Jacob woke from his sleep and said, "Surely the Lord is in this place—and I did not know it!" And he was afraid, and said, "How awesome is this place! This is none other than the house of God, and this is the gate of heaven." (Gen. 28:12-17)"

We take that as a positive sign from and for Jacob. Better to be called Jacob than, Mr. Rothschild, or Lord whatsitnow.

" The only permanent thing is Reality; and that is the Self. You
" say "I am", "I am going", "I am speaking", "I am working", etc.
" Hyphenate "I am" in all of them. Thus I - AM. That is the abiding
" and fundamental Reality. This truth was taught by God to Moses:
" "I AM that I-AM". "Be still and know that I-AM God." so "I-AM"
" is God.
" You know that you are. You cannot deny your existence at any
" moment of time. For you must be there in order to deny it. This
" (Pure Existence) is understood by stilling your mind. The mind
" is the outgoing faculty of the individual. If that is turned within,
" it becomes still in course of time and that "I-AM" alone prevails.
" "I-AM" is the whole Truth. "

Talks with Sri Ramana Maharshi, 19 May 1936.

www.courtofrecord.org.uk/archive/talks_with_sri_ramana_maharshi_complete.pdf

The translator has used 'Pure Existence' instead of BEING for YHVH.

Thou canst not deny thy BEING.

BEING, YHVH, That which IS, is within thee, upon which galaxies are scattered like motes on a

sunbeam. This is the Treasure, the Ground of Being, which thy fathers before thee possessed. Why bother with a few million ounces of gold? This is the secret of the Pyramid, of Moses, and therefore of Moses' /contempt/ for the Jewish nation.

"Contempt and beggary hangs upon thy back". --Shakespeare.

Deuteronomy 31:27 For I know thy rebellion, and thy stiff neck: behold, while I am yet alive with you this day, ye have been rebellious against the LORD; and how much more after my death? 31:28 Gather unto me all the elders of your tribes, and your officers, that I may speak these words in their ears, and call heaven and earth to record against them.

The Fifth Book of Moses: Called Deuteronomy

20 November 2015, early hours

This then is the need for Pontifex, Thirtha, Bridge Builder, Ship Captain, Goddess, Christ, Shepherd, Revealer, Guru, Guide, Prophet, to cross the fathomless chasm, χάος, "chaos", within thee, between thy existence and BEING.

The same infinite, intelligence, BEING, that Moses spoke, Christ announced and the Prophet Muhammad, Peace Be Upon Him, restored to those of his time.

We send our love to YHVH for thee!

Dear Sir,

There is no 'diplomatic' immunity ... or immunity by bureaucracy. It is our wish that you send a courtesy copy of this *Amicus curiae* to Mr. Walid Juffali, permanent representative to the IMO, and to every member published in the British Diplomatic List. Have your counterpart in each country meet the British counterpart. Do not be strangers.

XXX Begin fax to PM of India XXX

His Excellency Narendra Damodardas Modi
Prime Minister of INDIA

cc: Her Majesty Queen Elizabeth [II]
cc: His Holiness Pope Francis

Amicus curiae

14 November 2015

Dear Mr. Modi,

The 'plum' idiots who function as the Fabian Bureaucracy in India have actively disrupted what were your good intentions at the start. Sack them.

New Delhi is not London. The Prime Minister, do not forget, is a position created by the Jesuits, where you minister unto India as would Jesus Christ. By sleight of hand, they installed a Roman Caesar by the grace of Mahatma Gandhi. Very clever eh? Tell the New Delhi Babus and the idiots in the Indian High Commission in London that Caesar's law applies to them. The Laws of Hades are

'under' Shiva, YHVH, One who IS. Shiva, YHVH, is AWAKE in this Court of Record.

<https://www.rt.com/uk/321709-modi-protest-downing-street/>

So you are now being promoted as the New Hitler by these Fabian Bureaucrats. Their time is up. Growing a beard won't help. Mr. Cameron, who was put in place by 'them', as it has been claimed, can hardly remain the same man they created as a result of our letters.

Both of you have the same 'job' - cleaning up the Aegean Stables - prepare the corporate government, not excluding the civil service, for unconditional surrender to this Court of Record of YHVH, Ground of Being. There won't be a 'Cabinet' government.

Why is the PMO fax machine in India off? Sack the man who ordered it. We shall follow this up. Publish an email address read by thyself. Oversee the PMO fax machine thyself.

It is not 'nationalism' you are there to promote, as the 'Prime Minister', it is the dismantling of the Corporate, Fabian, State. In India, Pakistan, Bangladesh, etc. Research the history of how that legal idiot Jinnah, who as a Muslim should know that Allah is One, went along with dividing India into two. *Who* recommended partition to Lord Mountbatten? Why??

We suggest you take steps to facilitate the free flow of trade and men, women and children across all land borders.

<http://indianexpress.com/article/india/india-news-india/tipu-sultan-jayanti-row-madikeri-tense-as-locals-blame-outsiders-for-clash/>

The /karma/ of the Duke of Wellington continues to shape 'Britain'. Karma: "corruption", rockets, worship of gold, Caesar, 'golden fleece', etc. DEITY, YHVH, SHIV, must be satisfied. The Nazi princes, the 'nation of Jews' and those that worship the Golden Fleece must cease to worship gold. Mere show does not count before SHIV, YHVH, Allah, Ground of Being. Frogs in the Jungle go ribbet, ribbet, ribbet.

A noose is more binding than the Common Operating Procedure they wish to make 'legally binding' in Paris. They go on about abolishing the death penalty. Do they forget how they use the NHS, 'aggressive cancer', 'heart attack', 'traffic accident', 'suicide', and so on to kill whom they please?

Leviticus 19:18 Thou shalt not avenge, nor bear any grudge against the children of thy people, but thou shalt love thy neighbour as thyself: I am the LORD.

For Indian scripture, see the story of Raja Parikshit and the snake at the end of the Mahabharata war.

The Marconi Method

You 'charge' an idiot by the following process: 1) Make him a Capacitor with Oath of Office or make him Corporate Big Boss. 2) You 'charge' him by getting the idiot to sign a 'valuable' contract or develop a valuable product 3) If he acts up you can 'discharge' him with cancer. 4) Then you keep his stuff.

You don't have to be in Government to be used as a Capacitor. Example: Steve Jobs. He suddenly

discovered he had a Pancreas.

Matthew 27:35 And they crucified him, and parted his garments, casting lots: ...

Xi Jinping vs the Priests and supposed faithful of God

In the few days since his London visit he has done more for the LORD than all the idiots in Europe.

Worship of Gold in India

It is not possible to 'back' Rupees with gold. The idiots who are busy confiscating gold by your government's gold monetisation scheme are wanted dead or alive by this Court of Record. Same for all those participating in the micro lending fiasco that resulted in the deaths of farmers. The same for your biometric identity card department. Have they not noticed that the Supreme Court of India showed them up as legal idiots?

Enrica Lexie - Contempt of Court in this Court of Record of YHVH

All idiots in The International Tribunal for the Law of The Sea ITLOS who took part in, or the parties represented by those that took part in the farce are wanted dead or alive by this Court of Record of SHIV, YHVH, Pater Noster. Their pompous remarks are struck down and void.

Special Master for India

The former Chief Justice of the Supreme Court of India, Hon. P. Sadasivam is appointed Special Master in this Court of Record to investigate your government in this an all matters, to clean up the corporate government - there won't be one and New Delhi shall, by the grace of the LORD, be stripped of its honour as the capital. The Special Court shall convene in Madras High Court.

There won't be a need for them to pursue 'black money' ... and/or the scumbags in, for example, the steel industry - who better "grow the fuck up" real quick. See our Amicus curiae to the European Investment Bank for the meaning of "grow the fuck up". There is no 'money'.

Unarmed policing

Discuss with Mr. Cameron how the police of India can re-train the British in their now lost methods of unarmed policing and investigate the police in the British Isles from top to bottom.

The Special Master Hon. P. Sadasivam shall investigate those so appointed and the police forces of India for infiltration by cults.

The stench from the Barque of Peter

It is an old boat. The desire to put "unhelpful" lipstick on the dead pig on the bow of the boat does not quench the stench from the hold. There is fresh whale blubber on the deck and Pink Panther in Australia is looking for scraps. The sun is hot and the wind god, Vayu, has carried the smell thrice

around the world.

It will not be possible to stop the smell leaking or "Vatileaks" or "Indileaks" or "Londileaks" ... the LORD has shown us that censorship shall fail. Art thou True Men? Relevant scripture: Genesis 42:8 et seq.

Genesis 42:8 And Joseph knew his brethren, but they knew not him.

Mr. Jeremy Heywood is to be stripped of office, clearances and access to Mens Clubs and all his papers seized for investigation and publication by this Court of Record.

The Law Commission, whose necks are "not made of brass", shall get on with this task and that of disciplining the 'Crown Court' system, starting with Judge Hon. Enwright of the Peterborough Crown Court. We have testimony that he he forced a signature under duress on a 'parole' document for a free man. Judge Hon. Enwright shall have all judicial privileges, passport and drivers license revoked and he shall sign a "parole register" at the Queen's Bench Division once a week. He shall be forbidden from setting foot in any HMRC facility for any purpose other than signing parole. The "law commission" and the Civil Service Private Secretary for the Justice department, have their necks on the line for any "Judge" found sitting in a HMRC court without having sworn the oath to Her Majesty The Queen under the original Justices of the Peace Act 1361.

www.telegraph.co.uk/news/uknews/road-and-rail-transport/11991576/Motorway-speeding-fines-will-lead-to-complete-breakdown-in-police-relations-with-public.html

The Law Commission must arrest the said Crime Commissioner for contempt of this Court of Record. The said 'crime commissioner' is to be stripped of all clearances and office same as above for Judge Hon. Enwright.

Is there humility before the LORD?

When 'A. Churchward', the Freemason who was investigating the Pacific Islands brought clay tablets to India, there was a priest who deciphered them. Similar clay tablets were found sealed in clay pots in India, in temples. The Indian priests 'clammed up' as they recalled the wrath of the LORD. Someone with reverence for the LORD should investigate these things. Wars were fought by magicians whose mind-powers caused the events. You can find the broad outlines in India: A 'missile' charged with the destructive power of Kali was sent towards what was then an island nation. The island has those who had 'gone beyond, gone utterly beyond', to the realm of SHIV. The missile was cut up by the anger of the LORD God SHIV, YHVH, Ground of Being. Every spot on which it fell is a sacred 'Devi' temple. The island slammed into what we now call Asia with the force to create the Himalayas as if to say "this land and thy land are One".

What is your government doing to appease the wrath of the Devi, Our Immaculate Virgin Mary

Herself in Her wrathful aspect, experienced first hand by those in Europe who scorn Her son and pay her false reverence, at Kala Pani? Sucking Italian "lollipop" ?

<http://sputniknews.com/columnists/20151106/1029712046/nato-spain-invasion.html>

" NATO – in search for a "360-degree" response to Russia - resorted to invading... Spain. And Portugal. And Italy. The whole "central Mediterranean" for that matter. "

Did you know that Spain was the only country that 'Britain' never invaded. Ask the English as to why this has been so and what it says about the Nazi kings and princes of Europe.

The death of the Indian 'Constitutional Republic'

When the 'Constitution' of India was contemplated in the days of the Quit India Movement, they were looking for what the Vedas, the Word of God, say about the form of government, particularly a Republic. You can make inquiries at the Oriental Research Institute in Mysore for the answer. The answer was not pleasing to political idiots of that time, so they ignored it. The answer may not be pleasing to today's Delhi Babus. It is the same with Christianity. A 'Christian Republic' is an oxymoron. The Roman Republic fell to ruin at the advent of Jesus Christ.

Practical suggestions/questions

1. The Tata Jamshedpur facilities and some two and a half million Indian soldiers were instrumental in winning World War II and preventing a Nazi victory. The Nazis have plans to start a war and wipe out the populations of East Africa and India. These plans have not changed, have they?

(i) The steel industry must redo its accounts in Pig Iron and issue contracts for its delivery. There is a famous story of Alan Greenspan and Pig Iron ingots. They can research it.

(ii) They must settle at the wholesale layer for energy, coal, oil

(iii) The means to pay employees is built in when a company can, in effect, print money deliverable in Pig Iron.

2. The Reliance refinery can issue contracts for ship loads of D2 Diesel and/or Petrol.

3. It is the wish of this Court of Record to create a market. There is no reason to wait for software. Trading pits can start work right away.

Your Software Mandarins are asleep. Their software has yet to catch up with the technology that lisp programming language had in 1992/1993 at the onset of 'A.I. Winter'. Back then you could write once in lisp and deploy anywhere across the various vendors. PC server hardware and operating systems have yet to match the reliability and life expectancy of DEC Ultrix/VAX/VMS, SunOS etc., "pizza box" servers and desktops of that era. Awash with fiat USD-tokens from USA, extremely clever idiots dominate software and hardware. US Presidential candidate Carly Fiorina's boast that HP has "tripled the rate of innovation" ... is a marketing lie. We have seen that their servers post 2008 were unreliable and a stain to their brand name. Perhaps they tripled the number of back doors?

"We suggest competent developers investigate the gcc and clang tool chains and the glibc library. At the system level, BIOS, kernel, video/network drivers, binary firmware blobs, and random

sources/code must be investigated. At the hardware level, we suggest reverse engineering and posting the details of all chips/motherboards."

Quoted from <http://www.rayservers.com/blog/static-openvpn-+-libressl>

Are there back doors in the Intel core? What about, for example, "hyper-threading". It is our wish that Intel processors be open and with an open tool chain. This involves placing Intel and all chip companies under Admiralty law.

What is Infosys, Tata Consultancy Services, etc., going to do about the above? Who, in the Indian software industry, is going to step forward and assume responsibility? Have any of these companies contemplated the meaning of UCC Mirror Reflection? Dr. Eric Schmidt of Google, for example, has shirked his responsibilities and retired into an 'Alphabet' shell corporation. The shell shocking news is that this does not relieve him of his responsibility to those addicted to his creation.

Have the software industry place their developers in the service of this Court of Record. They must study what we have already created. They must form a liaison with us.

4. Forming a liaison with us

Interested parties may contact Keison Products. Contact information is published at www.keison.co.uk.

5. Open motels

While Disneyland is getting anally retentive, it does not mean the same for the rest of the world. 'Patel Motel', is for example, found around the world. A room in such a basic motel is a currency in itself. They must cease to collect ID. What crime has ID ever stopped? Did it stop the bombing of the World Trade Center? Did it prevent the Bombay terrorist attack? Did it help re Enrica Lexie?

6. Open transport

It is free movement of people across the states of America is one of the reasons that made it a super power. Ask the English to explain how the East India Company of pre WWI turned into U.S.A. Inc. The Telegraph cartoonist has beaten us to a parody of the plaque at the bottom of the Statue of Liberty.

Put in place surface ocean transport for people between India, Africa, China / Far East, and across to Australia, America. No passport or any such controls. All ships to be fitted with real time telemetry from magnetometers and other equipment for detection of hostile craft under the water and in the air, all data to be published on the Internet.

India produces trucks that are not over engineered with backdoored electronics. In fact, India is good at making workhorse trucks like the Tata 1210 and equivalent Ashok Leyland. They are a unit of account in themselves. Contracts for such can be broken into say, 100,000 units, printed in 'cash' form and traded as a money on the street.

7. A temple economy

The 'economic' purpose of a temple is to dis-intermediate the sense of ownership that comes from harvesting value from the ground, Bhumi. Bhumi charges nothing for coal, oil or for sunshine, the rain, etc. When are all of you who have "gotten rich" by UCC Mirror Reflection and fraud make a real offering? The LORD knows that rupees thrown in the Hundi are just paper and ink. When are the owners of Reliance, for example, going to offer a tanker of D2 Diesel at Tirupati?

A temple economy is the path to gold in circulation. "Render unto Caesar what belongs to Caesar and to God what belongs to God," as His Holiness Pope Benedict wrote. Not one ounce in the Central Banks belongs to them. All large private gold hoards are the result of fraudulent conversion. There are exceptions to this general rule, for example, families that are gold jewellers.

The Rothschild family must build temples to YHVH, Ground of Being. There is no future in 'banking'. As you know, a temple is not just a gathering house or fancy meeting room. Righteous families must step forward to claim responsibility for their creations. For example, who in the Tata family can shepherd their flock? This is not the time for squabbles inside families.

8.
<http://www.bloomberg.com/news/articles/2015-11-09/china-to-allow-direct-conversion-between-yuan-and-swiss-franc>

Ask the English to explain to you why this is a suicidal move for the Swiss. Hint: (1) The forex market is a zero sum game settled in USD tokens. (2) As we wrote to Mr. Sepp Blatter, FIFA, "The Swiss National Bank has three names: Swiss, National and Bank - each of which is a lie".

Call the Swiss Ambassador to India when you return and explain what you have learnt to him.

Is it the same for the GBP - Rupee? From the data we have seen, it appears that the Rupee has a GBP peg and it is now a Rs 100 to a GBP. The days of both the GBP and Rupee are drawing to a close.

9. <http://blogs.timesofisrael.com/a-fathers-love-toldot-covenant-conversation-5776-on-spirituality/>
"Unconditional love is not uncritical but it is unbreakable. That is how we should love our children — for it is how God loves us".
Rabbi Sacks has read our missive, sent earlier, now published as www.courtorecord.org.uk/Israel-3

10. The French government has gone rogue, it appears, and declared a 'State of Emergency'. A false flag, to create conflict with a La Main Rouge, a managed 'enemy'. The chatter says, "rats" are annoyed that thieves stole four tonnes of "cheese" ... so the insane amongst them go and kill their own people as a 'sacrifice' ... while the American rock band Eagles of Death Metal were playing at the Bataclan theatre ...

<http://www.catholicherald.co.uk/news/2015/11/13/french-troops-cannot-protect-the-pope-in-central-african-republic/>
A threat on the life of Pope Francis. An opportunity for the Allies for the Rule of God's law to replace the French in Africa.
What help do you have to offer, Mr. Modi?

11. The 'nuclear' industry is for legal idiots before YHVH. Mr. Cameron, in promoting this, is an idiot. Those scraps of paper and ink you have signed regarding nuclear power, are just that, fit for an incinerator.

" ... What the scientists have done is to destroy the atom, the stuff which God made and used to make the universe. They have released destructive forces into the world and degenerative forces along with them among mankind. Even the peaceful commercial use of nuclear energy in reactor-installations brings these evils among us and the precautionary safeguards fail to overcome them."

Notebooks of Paul Brunton [courtofrecord.org/archive/notebooks/para/14089]

" At the heart of every atom of every universe there is Spirit, divine and deathless. It is for this reason that any human society based upon its denial has no future and cannot survive.

" As long as man exists he will need to satisfy inner hunger, to find spiritual comfort, to receive holy communion, and to hear words of eternal truth."

Notebooks of Paul Brunton [courtofrecord.org/archive/notebooks/para/14062]

This Court of Record is investigating Dr. Manmohan Singh, former Prime Minister of India, regarding reports about an Indian mini nuke on the loose for staging a false flag attack, during his tenure as Prime Minister. There you have an example of the failure of safeguards and of the degenerative forces set loose. Hon. P Sadasivam shall lead the investigation into this matter without fear or favour from anyone.

Holy Scripture and Morality

The idiots of the 'Catholic' Church are staking their entire heritage on the 'moral' question of 'marriage'. There is double talk regarding 'marriage' & 'families' ... the families in question are the old ones with titles, who spit in each others faces, rape and murder for their 'right' to the gold from WWII, and 'marriage' refers to the relations with England. The Catholic Herald and the general press wants us to think its all about who eats Holy Cookies. Read this rubbish:
<http://www.catholicherald.co.uk/issues/november-13th-2015-2/what-will-the-pope-say-his-friends-tell-us/> ... picture says: One. That that man, that that cookie. Just joking. Ask your English hosts.

The Holy Bible is a book about BEING, YHVH, that which IS; YHVH cares not for man's contracts. The cult of Mithras which worships contracts does not even know how to be a 'friend', 'Mithra'. A true friend cares not for the contract which has failed for some reason. He forgives the debt, for he knows that the friend and he are One.

A contract is like unto the agreement between the left hand and right hand whilst juggling: "thee and thy contractual partner is the One that I-AM". It is the action of a stupid idiot to cut off the left hand by the right hand for dropping the balls. See courtofrecord.org/stupidity

The tree of international contracts, rooted in fiction, shall be pulled up by its virtual roots and cast into a voidly virtual fire. ... and there shall be much wailing and gnashing of teeth amongst stupid idiots. Any contract where one side is fiction (GBP, Rupees, Swiss Francs, Euros, etc) and the other side is real (truck, oil, etc) is void from the start. The LORD has arranged to show a whole world of 'men' as stupid idiots who know not what they sign as a 'legal' contract.

Paris COP21, here come the idiots, ra, ra, ra ra.

We send our love to SHIV, Ground of Being, for thee!

Your Honour,

Having recently been appointed Chairman of the Law Commission, you are now tasked with reading and absorbing many pages of our prior Amicus curiae(s) to assist Her Majesty Queen Elizabeth [II] and His Holiness Pope Francis with the dissolution of the UNITED STATES and the FEDERAL RESERVE, all corporate 'nations and 'banks' and the 'Company of Jesus' / 'Society of Jesus'. These are published at [www.courtrecord.org\[.uk\]](http://www.courtrecord.org[.uk]).

The Law of Christ, Gospel of Saint John 10:30 I and My Father are One, is a terse summary of the Law of this Court of Record of Jesus Christ, which we expand on in our Amicus curiae to the British Cabinet/Parliament, published at www.courtrecord.org.uk/British-PDF.

The epistemology and ontology of all possible evidence is covered in our first Act of Faith, our Open Letter to Professor Dawkins, www.courtrecord.org.uk/Dawkins.

A High Treason investigation is underway, resulting in the history now unfolding before thee. Our Queen's Bench Division stamped copy is available here: www.courtrecord.org.uk/Treason-QBD.

We have demonstrated de-facto jurisdiction in all matters of law, philosophic, ecclesiastic, admiralty, chancery, etc.

Our contemplation of YHVH, Pater Noster, for those of the 'Jewish' faith has resulted in His intercession. For example: <http://www.israelnationalnews.com/News/News.aspx/203700> -> "Politicians rejoice, unite over Pollard's release" ... "Blessed be the One who frees prisoners".

These recent Amicus curiae faxes follow, wherein we have expressed our wishes for certain Legal Idiots in England and Wales, subject to your immediate jurisdiction, be disciplined.

As this Treason investigation includes but is not limited to Royalty, Parliament and the Roman Curia, there is no escape by any legal device whatever.

There is no authority for war. There is no authority for UNITED KINGDOM forces to 'bomb' anybody. As you will gather UNITED STATES is dead. GCHQ/SIS/MI6/CIA/NSA/Putin is subject to this Court of Record of YHVH. Explicit requests in admiralty have been directed to competent authorities. The results are in the news.

"Disneyland in Paris is closed".

As you will gather, République Française, is dead. The land it purports to control has been placed under Admiralty jurisdiction of this Court of Record of YHVH. France has never before produced a legal idiot of the capacity for stupidity as "MERCILESS" François Hollande. He has accepted the terms and conditions applicable to himself, his ministers, the French Constitutional Council, Parliament, etc. Is French Foreign Minister Laurent Fabius a Fabian? He plans to visit India. As he will gather, any 'agreement' he signs is void from the start. All French defence and nuclear contracts are voided.

Order in Admiralty to idiots at HMRC

Your Honour must take action to forbid HMRC Judges/courts, police officers and other nitwits from harassing those working with or through this Court of Record. They are everyday men and women who volunteer their services.

These are:

Michael Burke, Langley, Berkshire.

Jacqueline Eugene Mackay, Minton Mews, London.

Keir Argent, Chelmsford.

James Davidson, Chelmsford.

John Bennett, Meadow Lake Crescent, Lincoln.

Peter Frenette, Cock Audley Farm, Little Paxton, Huntingdonshire.

As you will gather, Your Honour's neck is on the line, as is every one in the "Justice" department. The evidence is your requirement of a "Passport" to travel and lack of spendable lawful money in your pocket or pay packet. This flexible noose in Admiralty has been provided by the grace of Allah, the All Merciful, via the late Ottoman Sultan. This noose is around the neck of every Nazi prince in Europe and every idiot Sultan or Sheikh in the Middle East and every government official in the world.

Her Majesty The Queen is witness - as Her Majesty is the only living woman (or man, for that matter) who requires no passport.

Thus it will bring to bear some "pressure" on the idiots who wish for this farce of 'strong borders' to continue. "It won't be over by Christmas", but the 'government' Your Honour's works for, sure are such a bunch of ... "idiots".

Any objections or arguments must be made in writing to this Court of Record via fax/email contact information published at www.courtofrecord.org/contact.html.

We send our love to YHVH for thee!

The SHAPE of things to come

31 November 2015

Amicus curiae

Dear Sir or Madam,

Welcome to Paris! Locked down in Admiralty, meeting in a "hermetically" sealed building, as the guests of "MERCILESS" Hollande, Fabulous Fabius and the Famous Fabians, you must feel 'very safe' and protected from 'climate change'.

The gardens are a-boom, with Tulips, sprouting fresh from Hollande's bulbs.

Children welcome, they can learn how to form a 'more perfect Daisy Chain' and join in song:

Ring-a Ring-a Roses
Pocket full of Choses!
Hush-ya Bush-ya,
Y'all fall down!

Cucumber salad anyone? Freshly imported from Spain. How about soup fortified with fresh "protein" from Africa? The hotels of Paris, owned by the Sheikhs, have arranged the very best. The 'men' who have arrived can check their corporate burqas in; they can let their hair down and be in their natural environment. Why bother messing in the jungles of Africa when the jungle can be brought in for rim service.

Climate Change

There was once a king who ruled as the son of the Sun. His kingdom with millions of people knew no hunger. Foreign barbarians arrived with more powerful 'hammers' than his gentle people knew. They slaughtered his people, held the king in ransom for gold, received many tonnes, killed the king and destroyed his civilisation. He was a martyr for the Sun.

The sun grew fierce in anger and the climate changed. Millions of bats thrived along the shore where once their fishermen fished. The bats drank the blood of Sea Lions and shat on islands off the coast till it was deep in shit. Then the barbarians returned to dig up bat shit. Nitrates were extracted by 'scientific' means and the barbarians killed each other with bigger and better hammers.

But the barbarians were not satisfied. They built BIGGER HAMMERS, learned to fuck their own kids and smash ever tinier rocks together. They thought they had 'split the atom', when in fact, Anu, That Which Cannot Be Divided, That Which IS, watched them from the Heart of the Sun, sinking further and further away from Anu, towards the Gates of Hades, drawn like flies to bloody shit.

Do you know who those barbarians are? Did you think that the LORD God, YHVH, That Which IS, has no justice? Heard of the Spanish Hacienda for bat-shit crazy people?

God in the flesh

A man was born, in a distant land where they worshipped That Which IS in the Sun, came to ask his colonial masters, who had fleeced the gold off his people, to feed his people. No way, Jose, they said, we have important things to do, for Our God Who Died For Us and Rose From The Dead. He addressed their 'Parliament of Religions', he spoke to the Priests. Persuasion was of no avail, their hearts were of stone. It was 1896. "Europe, the centre of the manifestation of material energy, will crumble into dust within fifty years". He died in 1902, on the 4th of July. By 1946, Europe was reduced to dust. Now Europe denies their "God Who Died For Us and Rose From The Dead", who said, "YHVH and I are One".

1 Kings 9:6 But if ye shall at all turn from following me, ye or your children, and will not keep my commandments and my statutes which I have set before you, but go and serve other gods, and worship them: 9:7 Then will I cut off Israel out of the land which I have given them; and this house, which I have hallowed for my name, will I cast out of my sight; and Israel shall be a proverb and a byword among all people: 9:8 And at this house, which is high, every one that passeth by it shall be astonished, and shall *hiss*; and they shall say, Why hath the LORD done thus unto this land, and to this house? 9:9 And they shall answer, Because they forsook the LORD their God, who brought forth their fathers out of the land of Egypt, and have taken hold upon other gods, and have worshipped them, and served them: therefore hath the LORD brought upon them all this evil.

Did not the LORD, Jesus Christ, take thee out of bondage to thy cruel Roman Gods? Did He not leave thee a legacy of Christian Common Law? Did thy not forsake Him? "May thou live in exiting times" - Ancient Chinese Curse.

Burning Greenwood

The sun shines and the plants and trees grow absorbing carbon from the air, feeding the barbarians and giving them fuel for their early furnaces. They learned to dig in earth and find deposits of iron, coal and hydrocarbons, spat out by an ancient Star. The coal was burned in their ships and engines and brave men fought vicious sea and land battles, in the Two Great Wars.

Perhaps you have heard of another 'Great War' fought long ago, sung of by the sages, where the LORD who IS, showed the hero His form:

O Mystic, Awful One!
At sight of Thee, made known,
The Three Worlds quake; the lower gods draw nigh Thee;
They fold their palms, and bow
Body, and breast, and brow,
And, whispering worship, laud and magnify Thee!

Rishis and Siddhas cry
"Hail! Highest Majesty!"
From sage and singer breaks the hymn of glory
In dulcet harmony,
Sounding the praise of Thee;
While countless companies take up the story,

Rudras, who ride the storms,
Th' Adityas' shining forms,
...

Flanks, lit with sun and star,
Feet planted near and far,
Tushes of terror, mouths wrathful and tender;--
The Three wide Worlds before Thee
Adore, as I adore Thee,
Quake, as I quake, to witness so much splendour!

I mark Thee strike the skies
With front, in wondrous wise
Huge, rainbow-painted, glittering; and thy mouth
Opened, and orbs which see
All things, whatever be
In all Thy worlds, east, west, and north and south.

O Eyes of God! O Head!
My strength of soul is fled,
Gone is heart's force, rebuked is mind's desire!
When I behold Thee so,
With awful brows a-glow,
With burning glance, and lips lighted by fire

Fierce as those flames which shall
Consume, at close of all,
Earth, Heaven! Ah me! I see no Earth and Heaven!
Thee, Lord of Lords! I see,

Thee only-only Thee!
Now let Thy mercy unto me be given,

...

Hermetic of Climate Change

Shall the angels sing or shall the devil light a coal fire under thy arse?
MERCILESS Hollande is near! My creatures are HANGRY! More carbon in the air, more food for
My
creatures. More worthless 'legally binding' agreements thou sign, more paper to burn!

Darwin Loves You

Or wouldst thou rather toss thy corporate burqa in the fire and legally unbind thyself? Take
thy time, thy stay can be extended. What is a few million years to the LORD who came as Darwin?
Evolve thou must, even as a mollusc grows its shell.

Cruel punishment forbidden

The way of the faithful of YHVH prohibits cruel and unusual punishment. Art thou in the company
of those of good faith? Or art thou surrounded by "MERCILESS" elegant barbarians having "an
emergency"?

Thou represent no one but thyself

Did thee defend their right to discharge their debt in lawful money? Or did thee worship a bank
account? What about Carbon Credits?

Unbind thyself

A mustard grain's worth of faith is all it takes! Unbind thyself. Dissolve thy false-flag
corporate 'nation'. Thou has no 'right' to call thyself a 'representative' of the men, women
and children in the land from which you come. Thou art in High Treason to them.

Is it a Pepino or is it a blackmail nuke?

There is NO AUTHORITY for war. Thou art being tempted with High Treason to thy people.

If dinner is spicy mustard potatoes with Hollande sauce ...

Then thou may argue with a rope! Thou have been led to these choices, by the choices of thy own
making. The law cannot be altered. The precedent is available in stone and bone. Exodus
32. This is the law since ancient times; the Pharaoh of Egypt was buried with his treasure, so
that his son may rule with only the Law as his support.

Choose Holy Peace!

We send our love to YHVH, that She may send thee Her protection!

Yours faithfully,

Dear Mr. Cameron,

You expect your soldiers to commit extraordinary acts of bravery under fire. There is no fire. You have to go to a copy machine and print this and other recent letters for *every* Member of Parliament. Art thou brave enough to do this? If you hold a 'free vote' for war before providing this, then *your* neck is on the line.

Prepare the House of Lords for a session in Admiralty. Their first task is to clear the House of Lords of traitors to Her Majesty Queen Elizabeth [II] and Her Majesty's Allies for the Rule of YHVH's Law.

Deuteronomy 1:17 Ye shall not respect persons in judgment; but ye shall hear the small as well as the great; ye shall not be afraid of the face of man; for the judgment is God's: and the cause that is too hard for you, bring it unto me, and I will hear it.

You must take steps to ensure that Her Majesty The Queen and the Royal Family are not under duress. We see that there is no conflict with Spain, so the same applies to the Spanish Royal Family. You must already have copies of our recent letters on this.

We send our love to YHVH for thee!

Yours faithfully,

Subject: Malta / Commonwealth CHOGM

Dear UK Labour,

Our interventions regarding the recent Commonwealth CHOGM are attached.

There is NO AUTHORITY for war, there is no authority for U.K. PLC. to bomb anything - or fly war planes anywhere. Exceptions to be granted directly by the Lord High Admiral [Prince Philip], The Princess Royal Princess Anne or designate. If you have read The English Constitution you will know that the authority to declare war is reserved to the Monarch.

It appears you are being given a 'free vote' to commit High Treason. It may thus be worse for the Tories than for Labour. Do have pity on them and give them a copy of the attached. Tell anyone in authority who forbids you that this Court of Record shall try such Dangerous Idiots for High Treason.

The legal idiots of the world are gathered in Paris. Each of them faced with signing a 'legally binding' document which is equivalent to High Treason against their own country men, women and children. Blast from the past, from our letter to Mr. Cameron dated 27 Jan 2011: See attached uk-pm-1.pdf pages 4, 5 for questions applicable. The ballot box alone does not qualify anyone to claim to 'represent' someone.

What does Kenny in Ireland do when advised with a courtesy copy of our then letter? He threatens to restart the troubles in Ireland the next morning. What an idiot!

<http://www.telegraph.co.uk/news/politics/11983238/George-Osborne-secures-30pc-cuts-at-four-government-departments-live.html>

"Britain leaving EU could restart the Troubles in Northern Ireland ... Irish Prime Minister Enda Kenny warns Britain leaving Europe could undermine finely balanced Northern Ireland peace deal"

Women, feminists and those suckered by "women's lib", better read the Amicus curiae to Queen Letizia carefully! Ancient scripture is not what literal minded idiots make it out to be. There is a real salvation. Those who carry on about about 'fertility Goddess' or 'phallic worship' are theological idiots. Picture language has to use pictures to 'talk' about the formless "intellectual prior" ... which is dry and practically meaningless to those who have never managed to contemplate this.

We send our love to YHVH, Ground of Being, for all of thee!

Yours faithfully,

Joseph Ray Sundarsson
Special Master
