Your Excellency,

FRANCE, the 5th Republic *is* dissolved, even as UNITED KINGDOM *is* dissolved, as is the UNITED STATES and the EUROPEAN UNION.

All "French" 'military' and 'special' forces are placed *under* the Countess of Paris in Her Majesty's Commonwealth.

> Those who have their heart closed

>

> Such people are contrasted with those who are â closedâ and feel
> â rich in spiritâ â that is, â sufficient,â i.e., â those who do not
> need to cry because they feel they are in the right,â the violent who
> do not know what meekness is, the unjust who commit injustice, those
> who are without mercy, who never need to forgive because they do not
> feel the need to be forgiven, â the ones whose hearts are dirty,â the
> â makers of warâ and not of peace, and those who are never criticized
> or persecuted because injustice done to other people is of no concern
> to them. â These,â Pope Francis says, â have a closed heart.â They are

> not happy because the gift of consolation cannot enter their closed
> hearts, and so they cannot give it in turn to those who need it.
>
> Open the door of the heart
>
> In conclusion, Pope Francis asked the faithful to think about their
> own hearts, whether they are open and able to ask for the gift of
> consolation and then give it to others as a gift from the Lord,
> saying that we need to return during the course of each day to this
> consideration, and thank the Lord, who â always seeks to console us,â
> and â asks us to open the doors of our hearts even only just a little
> bit.â Then, said Pope Francis, â [The Lord] will find a way in.â

We believe that His Holiness is speaking about the revelation of non-duality, the "view" of Jesus Christ regarding the "question of forgiveness". [vide post].

By the grace of YHVH we create the living woman known as Brigitte Marie-Claude Macron as Her Majesty's Housekeeper of the French.

The revelation of non-duality has a temporal metaphor in the revelation that France has been ruled by a woman, the living woman known as Her Majesty Queen Elizabeth [II] for six and a half decades, and no one appears to have noticed. It *is* the same in ARGENTINA, where for example, the 'President' rushed to Germany after the U.K. election to check-in with Mother Superior Mrs. Merkel.

The LATIN AMERICAN AND CARIBBEAN PARLIAMENT *is* dissolved.

All corporate "nations", for example ARGENTINA, BRAZIL, PANAMA, etc., etc., *are* dissolved.

There *is* unlimited personal substantial liability for the leaders of such corporations masquerading as 'nations' or 'parliaments'. Their "legislative power" is void and of no effect. "The wet dreams of madmen", says Mahakali.

There *is* unlimited personal substantial liability for those who
force migration, for example, GEORGE SOROS, who is on copy. Gold Lust regarding Exodus 32 applies for forced migrations. Numbers 25 applies regarding the Roman Sacrifice and Baal.

There **is** unlimited personal substantial liability for those who close borders, issue or demand "Government ID", examples such as "Passport", "Drivers License". Exodus 32 applies - to the entire machinery engaged in such - in INDIA, for example, with PAN numbers and Aadhaar.

No Tax is payable - anywhere. Exodus 32 applies to "tax collectors".

We have seen that there are threats in Jordan against the King of Jordan to force "Armageddon".

All those making such threats **shall** be slain, wherever in the world they might be - there is no immunity.

The KINGDOM OF MOROCCO **is** dissolved. How does the King of Morocco plead before this Court of Record of YHVH? Allah, YHVH and I **is** One, c.f. John 10:30.

As this is an Open Letter, we remind readers that "London Bridge **is** Closed" ... this is picture language that says that lifeless corporate "banking" and "nations" as thou have known it for the past six and a half decades, **is** over.

The covert "Roman Sacrifice" of the Medici via "Medicine" a.k.a. "Cancer Mind Control" via "free" medical care and vaccines **shall** end. There is no immunity and there is unlimited personal substantial liability.

We have 'seen' the threats and counter threats inside 'Italy'.

In 1870, The Roman Question, the precedent was set that **elections have no effect** on the Rule of YHVH.

We have 'seen' High Treason in Gibraltar.

We send our love to YHVH as Lakshmi Narasimha for thee!

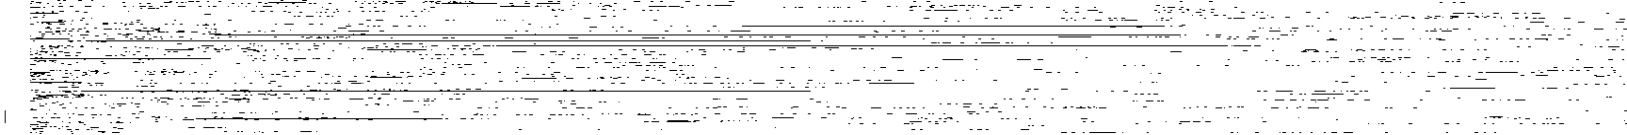

Yours faithfully,

Joseph Ray Sundarsson

Special Master

From his appearance this man looks like he has been pushed down the
 horrible torture wells of Fascism and wished to blot it out by death.

Death does not end the "experience" of the witness, the observer.

That JFK was gay has been in the news. The "disposable" President. Lev
 20:13. This has since been used to create a raft of "disposable" world
 leaders and actors. "Batman" has been bumped off. "Short battle with
 cancer".

There *is* no "office of Prime Minister" in England anymore, contrary to
 Boris' belief. Does he want to commit suicide by The Law?

The "unity" drive in Malta is visible.
