Pope Francis at Mass: 'Remorse is sign of salvation'

28/09/2017 11:25

Herod, he said, did not know what to think about Jesus, but "he felt" something within. This was not a mere curiosity, the Pope said, but "remorse in his soul and heart". Herod sought to see Jesus "to calm himself".

The Holy Father said Herod wanted to see the Christ perform a miracle, but Jesus refused to hold "a *circus* before him", so Herod handed him over to *Pontius Pilate*. And Jesus paid for his refusal with his life.

May it please Your Majesty,

Regarding Pope Francis, who is embattled, we wrote to GWB on Tue Sep 26 15:22:09 GMT 2017 thus:

From the Pope's sermons it can be seen that the Romans plan to slay the entire Swiss Guard and the Pope; he sounds happier today, possibly as a result of our letter of last night filtering through to him.

Pope consoling those who the Romans wish to slay:

25/09/2017 13:13

The Holy Father went on to exhort those present "to wait" for the Lord's visitation. Some moments are stronger than others, but the Lord "will help us to sense His presence" with spiritual consolation.

He said the Christian must recognize consolation, because there are false prophets who seem to console us but are, in fact, tricking us.

The happier sermon:

26/09/2017 11:59

Pope Francis daily Mass: Familiarity with Jesus sets us free

"Those who hear the Word of God and act on it": this is the concept of the family for Jesus, a concept of family that is "wider than that of the world." That was the focus of Pope Francis' homily at the morning Mass at the Casa Santa Marta. In the Gospel reading, Jesus says that it is precisely those who come to Him, and listen to His preaching, who are His "mother," and His "brothers": His family. And this, the Pope said, makes us think of the concept of familiarity with God and with Jesus, which is something more than being "disciples" or even "friends"; it is not a "formal" or "polite" attitude, much less a "diplomatic" one. So, he asked, "what does this word – familiarity – which the spiritual fathers of the Church have used so often, and have taught us, actually mean?"

First of all, he said, it means "***entering into the home of Jesus***", to enter into that atmosphere, to live in that atmosphere that is in the home of Jesus. To live there, to contemplate, to be free. Because the children are free, those who reside in the house of the Lord are free, those who have a familiar relationship with Him are free. Others, to use a word from the Bible, are the children of the 'slave woman.' We might say that they are Christians, but they don't dare to draw near to Him, they don't dare have this familiarity with the Lord. There is always a distance that separates them from the Lord."

...

Finally, Pope Francis said familiarity means "***remaining***" in the presence of Jesus

... http://en.radiovaticana.va/news/2017/09/26/pope_francis_daily_mass_familiarity_with_jesus_sets_us_free/1339045

There you have it, Pope Francis wishes to enter into our home and remain there, that is, seek refuge.

Her Majesty's Duke of Nuremberg and thyself must arrange this. Ye recall what we have said about Operations Research more recently and arranging a no fly zone over all of Europe in the past.

We shall contemplate more and write to Her Majesty later this day God willing. This gives thee time to contemplate YHVH as Lakshmi Narasimha thyself, roar, and make thy plan!

We have contemplated more. We have seen the chatter that shows an apparent Roman peace-for-the-moment between the Orange and Blue factions. Such a peace is not peace.

Car crash killings, "cancer", rape and threats of rape, acid attacks, castration, "yellow, yellow dirty fellow" type "peace" is not "peace".

Torts at Common Law cannot be cured by torts at Common Law.

The Ryanair affair appears to be a 'war' by the Jesuits and Pharisees against DON. Is it so? Ryanair is registered in Ireland. Efax is registered in Ireland. Someone we know has an Irish ISP.

Ryanair to cancel another 400,000 bookings

A total of 25 routes have been suspended over the winter period, including all flights from ***London to Scotland***.

The troubled airline has confirmed it will remove 25 of its 400 planes from skies and will carry 2 million fewer passengers than it originally planned to in the year to March 2018 (129 million down from 131 million).

In the year to March 2019 Ryanair has revealed it will carry 4 million fewer customers than planned, with the number falling from 142 million to 138 million.

It said the additional 400,000 cancellations, which come on top of 315,000 bookings cancelled earlier this month, will cost it up to €25m, will "eliminate" all risk of further flight cancellations.

It appears that Ryanair has made additional cancellations because pilots refused to give up a week of their holiday in return for £12,000.

Mass delays announced earlier this month were caused by management "messing up" pilots' ***rotas***, it admitted.

Vatican Secretariat for Communications signs convention with Jesuits

"We are fulfilling," he concluded, "an act of obedience to the Holy Father regarding the criteria indicated by him. This new collaboration will bear much fruit because, when one lives in service to the Church, personal gratification is overcome. Service overcomes each of us, and the hope is that one's vocation can be lived 'in God's way'. We are not only professionals but good professionals transfigured by the experience of the mystery of God."

We have also seen, that like with Katrina, "money" collected for the hurricanes has not been used for helping those affected, it has been removed from circulation or re-purposed for other nefarious activities. Mahakali has shown us that the Katrina funds, laundered via the Forex market, were used to fund the "Rocket Man" saga now unfolding.

One of Einstein's most famous quotations is as follows:

"No problem can be solved from the same level of consciousness that created it"

STASIS QUO Status seen from an unschooled viewpoint leaves us to draw the conclusion that stasis has set in.

It has been going on for some time now. Here we are 'inside the box' of one level of consciousness, constantly creating more ideas inside the box about what we think is outside the box and yet progress is astonishingly slow. Einstein is correct because the result of this is devastating.

<http://www.global-settlement.org/structure>

The creation of money-of-account with fake-debt, and "FX mowing" to remove it from circulation, has resulted in "blood stasis of white man's soul".

Death will follow stasis. All the cleverness of equivocation cannot cheat YHVH or fool His Law, for His Law is the law of the living.

What the west calls "Nature", is called "Prakriti" in Sanskrit. The meanings are as different in knowing as night and day.

Those who have experienced the "Left Hand Path" and the "Super Natural" have seen a glimpse of the power of the word "Prakriti" - in the middle of the night, whilst stuck in a swamp.

The very use of the word "super natural" by someone implies that their ignorance of theology is as thick as treacle in Harry Potter's pot.

To avert this fate of stasis, the truth must be spoken - and acted upon. The ***full*** details of all the "fake news" of the past decades and centuries must come out.

Will Trump finally reveal 54-year-old secret FBI and CIA files on JFK assassination next month?

The National Archives has until October 26 to disclose the remaining files related to Kennedy's 1963 assassination, unless Trump intervenes

<http://www.dailymail.co.uk/news/article-4923950/Will-Trump-allow-release-secret-JFK-assassination-papers.html>

For example, that JFK was executed for Sodomy, that the Jesuits and the Romans made the decision, the chain of knives involved; etc., etc., etc.

We have suggested a certain man, "who has his head screwed on right", to visit with us. Those loyal to Your Majesty have the details.

In exile, we are free by the grace of YHVH, we have been given insight into the World-Idea, the Holy Ghost, and have jurisdiction over the entire world-system-of-government; all this ***is*** by the grace of YHVH.

Unrighteous Mammon

The top man of Ryanair has, unlike B.A. and Alitalia, been "faithful to the unrighteous Mammon". He is, perhaps, the right man to get the "commercial contract", that is, a Bill of Exchange, to operate "free" 'commercial' flights, c.f. Operational Research. May he gain insight into the generosity of YHVH as Providence and transmit it to those who he serves and his servants.

Luke 16:11 If therefore ye have not been faithful in the unrighteous mammon, who will commit to your trust the true riches?

Luke 16:17 And it is easier for heaven and earth to pass, than one tittle of the law to fail.
