Your Holiness,

Ave Maria!

The Sicilian Mafia are reported to be angry about the death of Justice Scalia:

> Justice Scalia was famous in Sicily for rising higher in the firmament of American
> politics than any other Italian-American in U.S. history. Regardless of your
> political persuasion in Sicily, you were proud of the honourable jurist on the Supreme
> Court of the United States. After all, he was still one of them with Sicilian blood

> his 9 children and 28 grandchildren.

> Now we come to the VERY serious part of this post.

> The Sicilian mafia working together with the Black Nobility MAFIA is and has been the

Re: <http://www.news.va/en/news/pope-christians-called-to-work-to-abolish-death-penalty>
Why worry about 'Death Penalty' when it is murder-as-usual within the Cult of Malta?

The post goes on to explain:

> Marco Polo and the Black Nobility

> “*The unprecedented accumulation of wealth by the Black Nobility had its roots in
> the commercial ventures to the East made by Marco Polo of Venice in the 13th
> century. He was used to establish the largest export/import business in world
> history. And, yes, it grew to be the most profitable business venture of all time,
> as it effectuated the greatest transfer of wealth the planet has ever seen. This
> highly efficient enterprise was responsible for the most successful exchange of
> goods, services and resources from East to West, and vice versa, ever to have
> occurred. It continues up to this very day.”

We have shown in www.courtrecord.org.uk/blood that their "unprecedented accumulation of wealth" is directly the result of a British Chancellor of the Exchequer taking refuge in The Lord's Prayer in the context of The Gospel According to Saint Matthew, Chapter 6.

We have testimony that shows that the Cult of Malta worships money, that they will do anything to get their hands on money. Living as they do in 'high security coffin' apartments, sealed off from compassion for their own fathers, using every opportunity to incarcerate their living father in a lunatic asylum so they can get their hands on their father's money, we have shown that *they* are idiots who know not the difference between legal shit and shoeshine. "One flew over the cuckoo's nest". It is a pretty big nest of cuckoos: Got a 'bank account' and passport? You are in the nest.

> Luke 9:60 Jesus said unto him, Let the dead bury their dead: but go thou and preach
> the kingdom of God.

Your Holiness must ask the Roman Priest who recently told thee, "but, it was like this from the beginning!", "what is your date of birth?" and note down his answer.

Then Your Holiness must ring up an 'uppity' English lawyer, familiar with 'banking', to ask, why is it that, to 'open a bank account', the 'bank' asks this question?

Why is it, that this question, is asked to those who are 'applying' for a 'passport'?

What is the legal significance of this question?

Perhaps the U.K. Lords of the Treasury may ring you with the 'right' answer.

We send our love to YHVH for thee!

Yours faithfully,

Your Holiness,

Ave Maria!

"Dark times" are now upon the "Cult of Malta" following "Karmic Boomerang", says Mahakali, YHVH in Her Active Form. She has shown us threats of 'dirty bombs' with 'black plague', 'pepinos', etc., now unfolding.

"What shall we do with the drunken sailor ... er-lie in the morning"

It is our wish that "wanna-be sailor" Burke is relieved of his duties.

We have read reports of Your Holiness' return, visit to Salus Populi Romani and the

'blood donation' drive for Your Holiness' Jubilee Audience planned for Saturday, 20 Feb 2016.

"'Saline' is the greatest 'life saving' medical invention ever", observed my Father, "It is far less risky than blood transfusions". We suggest caution regarding blood transfusions as 'accidental' mistakes, for example, the wrong blood type, can lead to death. This vector of attack cannot be discounted, should Your Holiness need blood as a result of rectal loss caused by blood-dysentery complications from the viral bio-weapon attack on Your Holiness.

We note that the Preacher to the Pontifical Household, Raniero Cantalamessa, has in his first Sermon for Lent, commented as follows:

> I dare to suggest to pastors and spiritual guides, when you sense in prayer that God
> is angry with the people he has entrusted to you, do not immediately take sides with
> God but with the people! This is what Moses did, to the point of declaring that he
> was willing to be blotted out from the book of life with them (see Ex 32:32). The
> Bible lets us know that this is exactly what God wanted so that he could "abandon the
> plan of destroying his people." When we are before the people, however, then we need
> to side with God wholeheartedly.

> Very soon after his intercessory prayer when Moses was before the people, it was
> then that he expressed his anger: he smashed the golden calf, scattered its
> powdered dust upon the water, and made the people drink it (see Ex 32:19ff). Only
> the person who has defended people before God and has carried the weight of their
> sin has the right—and will have the courage—to raise his voice later against them
> in defence of God as Moses did.

Every action, even of 'hostile' parties, cannot be separated from Jesus Christ, Ground of Being, YHVH, for all that appears is One.

Our intercession cannot be separated from the historical context of 'Abbà', Our Father, Jesus Christ, Ground of Being, YHVH.

There is a 'cultural memory', propagated by the Jehovah's Witnesses, that the Rule of Jesus Christ started in 1914:

> DECADES in advance, Bible students proclaimed that there would be significant
> developments in 1914. What were these, and what evidence points to 1914 as such an
> important year?

<https://www.jw.org/en/publications/books/bible-teach/1914-significant-year-bible-prophecy/>

Why is this so? The answer can be found, resulting from the '100 year' treaties starting around 1714 in the Reign of Queen Anne of Great Britain, when the position of the Lord High Treasurer went into Commission as a result of the South Sea Bubble.

What is the event in 1914?

> Hansard 24 Nov 1914 – WWI – International bill market closure

Upon the harsh proving grounds of battlefields, the LORD God, YHVH, Lord of Hosts has shown the result of that wise decision of taking refuge in the the Word of Jesus Christ given in the Lord's Prayer. Naviget antyciram!.

A hundred years has passed, Lord Jesus Christ, Ground of Being, YHVH, has heard thy cry and interceded for thee before Abbà, Our Father.

> The very cry "Abbà!" that the Spirit, coming upon us, addresses to the Father (see
> Rom 8:15; Gal 4:6) demonstrates that the one who prays in us through the Spirit is
> Jesus, the only Son of God. In fact, the Holy Spirit on his own could not address God
> by saying, "Abbà, Father," because he is not "begotten" but instead "proceeds" from
> the Father. If the Spirit can do this, it is because he is the Spirit of Christ who
> continues his filial prayer in us.

Indeed, YHVH, Our Father, has promised that those who cry for Him, Abbà!, Babaji!,
Father! shall receive help in their hour of need or moment of crisis.

We send our love to YHVH for Your Holiness.
