19 September 2016: Courtesy copy for thee and the Principal thou report to.
UNITED STATES is dissolved. How long dost thou wish the farce to continue?
YHVH is BEING. Being IS. "Is isn't", is the statement of a fool. Contemplation of YHVH, That Which IS, results in peace. When contemplation of YHVH tracks those who claim to be "leaders", it unmaskes the knives behind their back. 9/11 was a call for help. Didst thou hear it?

For the immediate attention of His Excellency Shimon Peres to forward to Israeli MFA; His Excellency George W. Bush and Her Majesty Queen Elizabeth [II], Rt. Hon. Theresa Mary May. Kindly print attached PDF for them, which is also available from:

Notes for His Excellency Shimon Peres:
Contemplation of YHVH reveals that the question to ask is, has INS Rahav, an Israeli

Dolphin 2-class submarine, been "lost at sea" in an expedition to blackmail America?
Other questions follow logically from that, why has Netanyahu not disclosed this, who are those in Malta/Italy who are involved, etc.

The next question to ask is, the grace of YHVH informs us, is there an Armageddon Plot to force an all out dirty war over Jerusalem.

If this is true, then the "civil" deadline to execute our Arrest Warrant for Netanyahu and Lieberman is the upcoming full moon, 16 September 2016, which is now extended to anyone who is involved in such blackmail, wherever in the world they may be.

We suggest that the following are printed as they are relevant:

<http://www.courtrecord.uk/Treason-Parliament>
<http://www.courtrecord.uk/busted>

We believe, that as a result of the grace of YHVH, The Italian Bear hiding in Russia won't be able to help those involved.

From: Court of Record fax

To: Pope Francis via Swiss Guard

Fax: fax.courtrecord.uk/kOuWA8bK Date: 2016-09-13 To: gsp Pope Francis via Swiss Guard. This is an Arrest Warrant for all Jesuits/SMOM/etc. pushing for Armageddon, no thing, bar, nuclear bunker or military withstanding.

It can be seen that YHVH Himself has "arrested" Netanyahu and that he is now plunging towards The Event horizon, of a black hole, at whose centre lives One, YHVH, single, a singularity.

Subsequent to our prior email to His Excellency Shimon Peres regarding Netanyahu's "loss at sea" of their nuclear submarine, His Excellency was "sedated" at a hospital, showing the Roman 'African Medicine Man' approach in action, thereby confirming the attempted nuclear first strike on America and the loss of the nuclear submarine in the attempt to ignite the Armageddon Plot.

It is a sin before YHVH that such little respect is given to His Excellency Shimon Peres, Patriarch and father.

Do those who have done this think they are going to escape this Court of Record of YHVH ?

www.timesofisrael.com/yaalon-38-billion-military-aid-deal-with-us-not-enough/

It can be seen that the grace of YHVH has dissolved the Roman State of ISRAEL. We have contemplated the following course of action before YHVH:

By the grace of YHVH, That which IS, Allah by another name, we create the living woman known as Queen Rania of Jordan as Duchess of Jerusalem in Her Majesty's Commonwealth.

By the grace of YHVH, That which IS, Allah by another name, we create the living woman known as Ayelet Shaked as Housekeeper for the land known as Palestine in Her Majesty's Commonwealth.

We suggest that this "urgent change of government" be initiated at once to replace the now defunct Knesset and the "torn pair of knickers" Dual Roman Magistracy puppet mastered from Italy and Rome.

Date: Sun, 07 Aug 2016 16:02:03 +0000

To: Peres, GWB

For the immediate attention of His Excellency Shimon Peres. Kindly download and print linked documents in the PDF for His Excellency.

Fax attempt at 03:33 GMT failed. Attn GWB - make arrangements to

replace
idiots below.

Kindly inform the MFA that the '10 year' deal with the 'US' for
'defence' is not worth the paper it is printed on. The UNITED STATES is
dissolved. The dual Roman magistracy of Netanyahu and Lieberman is a
"torn pair of knickers". The same goes for the Nuncio and Pizzaballa
and
'ISRAEL' vs 'PALESTINE'.

The
Peres Center For Peace

This is an Arrest Warrant for those in the puppet master chain - they are wanted dead or
alive by this Court of Record of YHVH, as are the men in /A-maat-tree-chee/, Amatrice,
The Matrix.

"They plan to crucify / torture Pope Francis - a plan three decades in the making."

Contemplation of YHVH reveals that, it should be proposed to Netanyahu that he should
offer himself in place of His Holiness Pope Francis.

We send our love to YHVH for thee!

Yours faithfully,

Duke of America in Her Majesty's Commonwealth

Dear George W. Bush,

Mahakali informs us that, the message is "how far do you want this to go", speaking of an Ethernet cable being pushed out of an engineering test room, there is no response, until, the cable is pulled all the way out: "the Ethernet cable has run out".

Subsequent to our recent email to His Excellency Shimon Peres, comes this news:
<http://www.timesofisrael.com/as-peres-fights-for-his-life-his-son-urges-prayers-says-next-few-hours-critical/>

On the Radio Vaticana page is this item:

- > Bishop Sorrentino says that the city of Assisi bears a great
- > responsibility as it is the city of Saint Francis, a city that is
- > beloved across the world.
- >
- > "We know that we must continue in his footsteps and in the footsteps
- > of the Gospel" he says.
- >
- > And he points out that it is the 'way of Saint Francis' to welcome
- > all people, giving the testimony of Christianity which not only is
- > solid in the faith but has the capacity to open its arms to
- > everybody.
- >
- > The Bishop says that Pope Francis' obvious affection for the city of

> Assisi is a great joy for its inhabitants.
>
> "Pope Francis who chose the name of Francis feels himself to be at
> home in Assisi" he says.
>
> And Bishop Sorrentino recalls Saint Pope John II's 'prophetic'

> did, "Pope Francis comes to be in the footsteps of this prophecy".

They plan to crucify / torture Pope Francis - a plan three decades in the making.

Mahakali informs us that "Sorrentino" means to some Jesuits, "singing fucker" or "little fucker".

It appears to be a situation similar to that they tried with Her Majesty in the "Waterloo chamber".

The plot is to "harden" the Pope and the Queen to want war / Armageddon with "Israel".

We have contemplated Exodus 32 before YHVH, Mahakali says, "Slay means slay".

"The next few hours are critical" regarding Shimon Peres, you are to take whatever steps are necessary to slay the bastards there.

We send our love to YHVH for thee!

Yours faithfully,

We have moved from email client to fax, so that Her Majesty The Queen gets a copy via Windsor Castle. We believe that London has those who are intimately familiar with the Armageddon Plot.

In our microcosm, we had the following developments, of which we now have a typed report thus:

"(09:52:47 PM GMT) Craig advised me this afternoon that 2 police men came to the Chelmsford office early afternoon of 13SEP16 and said that they have a warrant for my arrest. Craig invited them in to my office and explained that I was not there and that I could be anywhere, I travel. James Sutherland was also in the meeting.

"The police said that this arrest was connected to Alexis (my son), nothing to do with the company 'administration' case.

" Their manner was congenial, noting that they realised that there was a family dispute and that they were 'only doing their job' and ' it could easily have been a case of arresting Alexis', they said lightheartedly as I understand.

"They said that they would not return but may call Craig if needed and left".

(09:59:44 PM) "Craig advised me that no administrators had attended this week and the security guards had been dismissed. He said he was now able to access the premises freely, although unable to change access codes".

(10:02:19 PM) "Craig told me that Suzanne Jones of Kennedy had been replaced by Vernon Dennis. This was also evidenced by a bounced email message stating that 'she was not available'".

Apparently, Suzanne Jones of Kennedy, is on "long term leave". Mrs. May has been copied on our email earlier today to His Excellency Shimon Peres. It can be seen that it is impossible for the current British Cabinet / Parliament to survive as a communal condom for the Company of Henry Garnet (the Jesuits) to shag in. We can also see that the Jesuits are

puppet mastering the Kingdom of Sweden.

HMS Daring is off the coast of Malta, when we last checked. The Lord High Admiral and HRH Prince Edward, Joint Intelligence Chief will get a copy of this fax. They and thee must have intelligence intercepts that show who are involved.

Let there be no further delays or deadlines. Admiralty situations force people to live in the moment c.f. Matthew 6:34.

The warning in picture language, that jumps out of the record of history that blames the Great Fire of London in 1666 on a "baker", is "beware of the Roman yeast!"

Mark 8:15 And he charged them, saying, Take heed, beware of the leaven of the Pharisees, and of the leaven of Herod.

We suggest that thou take what action must be taken expeditiously! We suggest that Her Majesty's forces coordinate with the action!

We send our love to YHVH for thee!

Yours faithfully,
